

INTERNAL SERVICE FUNDS

The Internal Service Funds are proprietary businesses, serving only the City of Glendale. These consist of the Equipment Reserve Fund, Helicopter Depreciation Fund, Technology Equipment Replacement Fund, Application Software Replacement Fund, Police CAD/RMS Replacement Fund, Citywide Document Management System Fund, Graphics Operation Fund, Wireless Communications System Fund, Financial System Operation Fund, and all of our self-insurance funds: Unemployment Insurance, Uninsurable Litigation, Liability Insurance, Auto Insurance, {Workers} Compensation Insurance, Dental Insurance, Medical Insurance, Vision Insurance and Employee Benefits. All of these funds derive their resources from expensing the Governmental and Enterprise budgets and are already included within the City budget. They are presented for informational and memorandum control purposes.
