

# SPECIAL REVENUE FUNDS

The Special Revenue Funds consist of those "restricted receipts" which may not be used for general municipal purposes. They are restricted by Local Ordinance, State or Federal Statute, to be used for specific purposes. These groups of funds represent services funded primarily by other levels of government and not "traditionally" provided by local government. Should the funding for most of these programs be eliminated, it is likely that the services would also be eliminated.

Summarized below are the Special Revenue Funds, together with comparative 2003-04 appropriations:

This year's Special Revenue Funds show an approximate \$15 million or a 19.2% decrease compared to the prior year. This change, however, is a net change and masks a variety of changes cumulatively into one decrease. The biggest factor is the capital funding in various funds, especially the Glendale Redevelopment Agency Funds.

The Community Development fund shows a decrease compared to the prior year due to decreased capital expenditures.

The Housing Assistance fund shows a decrease compared to the prior year due to decreased funding this year.

The HOME Grant fund shows an increase compared to the prior year due to increased program funding this year.

The Supportive Housing fund shows an increase compared to the prior year because of increased funding this year.

The Emergency Shelter fund shows no significant differences from the prior year.

The Workforce Investment Act fund shows an increase from the prior year due to increased revenues this year.

The Technical Skills Training Grant fund was discontinued this year.

The Code Enforcement Incentive Grant fund is a new fund created 3 years ago with a duration of three years. This grant funding has ceased.

The Glendale Redevelopment Agency budget as shown at this summary level shows a \$9 million or 50.7% decrease. This decrease is due to reduced Capital project spending.

Low and Moderate Housing shows a significant increase from the prior year due to this year's budget utilizing \$2.3 million in reserves to pay for expenditures in fiscal year 2004-05.

The Local Transit Assistance fund shows a significant increase over the prior year due to increased spending of reserves for capital projects this year.

The Air Quality Improvement fund shows minor variations from the prior year.

The Narcotic Forfeiture fund shows an increase over last year due to a transfer of \$100,000 this year to fund the Police Staffing Augmentation fund.

The Special Grant fund shows a \$1.4 million decrease from the prior year due to the end of the COPPS grant, thus the sworn personnel were transferred to the General Fund.

The Supplemental Law Enforcement fund shows a decrease from the prior year due to decreased funding and thus reduced operating expenditures.

The Nutritional Meals fund was reduced from the prior year because its expenditures have been continuing to exceed its revenues. The fund is being reviewed.

The Police Staffing Augmentation Fund is a new fund created in June 2004 with the transfer of reserves from the Parking Fund, Sewer Fund, General Fund, and Narcotic Forfeiture Fund. The plan is to add 100 Police sworn positions and support staff in the next few years. Reserves will be used to complete Phase I - 25 sworn positions.

The Fire Grants fund is a new fund created in 2002-03 to account for all the grants that the Fire department applies for and receives. This fund shows an increase from the prior year due to increased funding and use of reserves.

The Library Grant fund was created three years ago to account for the myriad of grants that the Library applies for and receives. Two years ago, we moved Public Library (PLF) revenue and equivalent Library expenditures from the General Fund into this fund. The fund shows an increase from the prior year primarily due to increased use of reserves.

The Cable Access fund shows minor variations from the prior year.

The Electric Public Benefit charge began on January 1, 1998. This is a tax of 2.85% placed on electrical charges for every consumer. The City Council has sole authority of how to spend these monies subject to certain qualifications established by the California Public Utilities Commission. This fund shows a decrease from last year because of decreased use of reserves.

The Fire Communication Fund depicts the operation of a tri-city agreement between the Cities of Burbank, Pasadena and Glendale. The three cities have agreed to contract with the Cities of Arcadia, Monrovia, Sierra Madre, San Gabriel, San Marino and South Pasadena to provide them with Fire dispatch services. This fund shows minor variations from the prior year.
