**RE: 543 ARDEN AVENUE and  
819-821 NORTH PACIFIC AVENUE  
PARKING USE PERMIT NO. PPUP 1525481**

Dear Mr. Khan:

Pursuant to Chapter 30.51.030, the Director of Community Development has processed an application for a Parking Use Permit (PPUP 1525481) to allow a portion of the required parking for a proposed museum located at 543 Arden Avenue at the existing parking lot located at **819-821 North Pacific Avenue**, in the "C2 II" - (Community Commercial, District II) zone, described as Portion of Lots 46 and 47, Oliver's West Glendale Tract, in the City of Glendale, County of Los Angeles.

**ENVIRONMENTAL DETERMINATION**

The project is exempt from CEQA review as a Class 1 "Existing Facilities" exemption, pursuant to State CEQA Guidelines Section 15301.

The application is hereby **APPROVED**, based on the following analysis and findings and subject to the following conditions.

**PROJECT PROPOSAL**

The applicant is requesting that a portion of the required parking for the proposed museum located at 543 Arden Avenue be located at an existing parking lot located at 819-821 North Pacific Avenue.

**SUMMARY AND BACKGROUND**

The Lark Music Society has been operating as a 1,600 square-foot private educational institution along with a 4,000 square-foot warehouse at 543 Arden Avenue since 2006. The site currently provides 12 parking spaces for the two uses on the property. The applicant is proposing to convert the existing warehouse to a museum. Currently, 4 parking spaces are provided for the warehouse on the site. Sixteen parking spaces are

required for a 4,000 square-foot museum. Since the site already accommodates 4 spaces for the warehouse, a difference of 12 spaces must be provided. The applicant is requesting a parking use permit to use 21 spaces of an existing parking lot located at 819-821 North Pacific Avenue to fulfill their parking requirement, 9 spaces more than required.

### **PARKING USE PERMIT REQUEST/REQUIRED FINDINGS**

A parking use permit for the use of off-site parking facilities to satisfy the parking requirements for a proposed use shall be granted only if the reviewing authority finds that certain findings can be met. After thorough consideration of the statements contained in the application and the plans submitted therewith, the Director of Community Development has **GRANTED WITH CONDITIONS** your application based on the following:

- 1) The off-site parking is a permitted or conditionally permitted use allowed within the applicable zoning district and complies with all of the applicable provisions of this Zoning Ordinance.**

The parking lot on which the off-site parking is proposed on is located at 819-821 North Pacific Avenue and is used for a dental office along with a private specialized school. The off-site parking site is located in the C2 (Community Commercial) zone, where parking lots are permitted. The parking lot complies with all the provisions of the City's Zoning Ordinance.

- 2) The off-site parking spaces are located within 1000 feet measured from the primary entrance to the site. The reviewing authority may approve off-site parking spaces with valet service or parking spaces for employees located more than 1000 feet from the primary entrance to the site where the separation remains reasonable for walking or pedestrian-oriented features of the intervening distance make walking between the two sites reasonable.**

The off-site parking lot located at 819-821 North Pacific Avenue is approximately 400 feet east of the primary entrance of the site located at 543 Arden Avenue. The subject site and the parking lot are located on opposing sides of the street but have pedestrian oriented features like sidewalks that make walking between the two sites reasonable.

- 3) The applicant shall provide evidence of a valid lease or a covenant satisfactory to the City Attorney. All leases subject to this provision shall have a minimum termination period of not less than ninety (90) days.**

The applicant (Lark Music Society) has provided evidence that a Commercial Lease Agreement with the owner (Matossian Family Trust) of the off-site parking

lot has been recorded to allow the applicant to use the parking lot only during specific hours that do not conflict with the existing businesses hours of operation. The Lease Agreement allows the applicant to use 21 off-site parking spaces located at 819-821 North Pacific Avenue. This agreement has a termination period of not less than 90 days.

- 4) The applicant has demonstrated that the off-site parking will be available to the use, and that no substantial conflict will exist in the principal hours or periods of peak parking demands of any uses which are proposed to share the parking.**

No substantial conflict will exist between the existing uses and the proposed museum because the hours of operation do not overlap at any point. The museum will be open at 6:30 p.m. on Friday and Saturday and 9:00 a.m. on Sunday. The existing uses that currently use the parking lot on North Pacific Avenue are closed during these times.

- 5) Access to the site is adequate to accommodate the proposed off-site parking and any resulting excess traffic to the facility.**

No changes to the access of either the proposed museum or the off-site parking lot are proposed as a result of the parking use permit request. Access to the site is adequate to accommodate the proposed off-site parking. The existing parking lot located at 819-821 North Pacific Avenue is 400 feet east of the proposed museum. No excess traffic on the surrounding streets is anticipated since both uses will not be operating at the same time and no additional parking is requested.

- 6) The design, location, size and operating characteristics of the proposed off-site parking are compatible with the existing and future land uses on-site and in the vicinity of the subject property.**

The parking lot in which the off-site parking is proposed has existed for a number of years and is compatible with the surrounding commercial and office uses. The businesses that use the parking lot will be closed during the hours the proposed museum will be operating. As a result, none of the surrounding uses will be impacted.

- 7) The establishment, maintenance, or operation of the proposed parking at the location proposed does not endanger, jeopardize, or otherwise constitute a nuisance for persons residing or working in the neighborhood of the proposed parking lot or structure.**

There have been no code compliance issues identified with regard to the off-site parking lot. Therefore, it is not anticipated that the use of the parking lot located east of the proposed museum will endanger, jeopardize or cause a nuisance for people living or employed in the neighborhood.

- 8) Any off-site parking spaces in close proximity to residential uses must be designed and operated to comply with the City's noise requirements in Chapter 8.36 of the Municipal Code.**

A residential use is adjacent to the off-site parking lot at 819-821 North Pacific Avenue. A condition of approval has been added to this approval requiring the museum operator to monitor disturbances in the off-site parking lot. Compliance with this condition will ensure that the use of the parking lot will be in compliance with the City's noise requirements.

- 9) Any proposed valet parking use will not generate excessive traffic on surrounding public streets and shall not utilize any residential street.**

No valet parking is proposed.

- 10) For shared parking, different peak hour parking demands existing between the separate uses or a single trip is likely to be made to two or more of the businesses proposed to share the parking.**

The existing lot at 819-821 North Pacific Avenue has a sufficient amount of parking spaces (21) to accommodate the existing uses; a private specialized school and a dental office. The use of this lot for the museum will provide more than the minimum amount of parking spaces required by code since the businesses that share the parking lot will not be operating at the same time.
