**RE: 417 1/2 NORTH BRAND BOULEVARD
CASE NO. PCUP 1526730**

Dear Mr. Khan:

On January 27, 2016 the Planning Hearing Officer conducted and closed a public hearing, pursuant to the provisions of the Glendale Municipal Code, Title 30, Chapter 30.42, on your application for a Conditional Use Permit (CUP) to allow a banquet hall at an existing night club with live entertainment and public dancing and a live theater in the "DSP/GAT" – Downtown Specific Plan Zone Gateway District, located at **417 1/2 North Brand Boulevard**, described as Lot 18, Campbell Tract in the City of Glendale, County of Los Angeles.

APPLICANT'S PROPOSAL

Conditional Use Permit

- 1) To allow the operation of a banquet hall

CODE REQUIRES

Conditional Use Permit

- 1) Approval of a Conditional Use Permit is required for banquet hall in the "DSP/GAT" – Downtown Specific Plan/Gateway District.

ENVIRONMENTAL DETERMINATION

The project is exempt from CEQA review as a Class 1 "Existing Facilities" exemption, pursuant to State CEQA Guidelines Section 15301.

REQUIRED/MANDATED FINDINGS

After thorough consideration of the statements contained in the application, the plans submitted therewith, the report by the Community Development Department staff thereon, and the statements made at the public hearing with respect to this application, the Planning Hearing Officer has **GRANTED WITH CONDITIONS** your application based on the following:

A. The proposed use will be consistent with the various elements and objectives of the general plan.

The subject site is located in Downtown Glendale, in the Downtown Specific Plan Land Use area and within the Gateway District, as listed in the Downtown Specific Plan. The focus of the Gateway District is the "continued promotion and location of corporate headquarters, new hotels, mixed-use and residential buildings, complementary/accessory service and retail businesses at the street level, as well as the introduction of appropriate night-time entertainment uses" (DSP, page 24). The Downtown Specific Land Use area also encourages entertainment uses in the downtown area. As such, the proposed banquet hall is consistent with the intent of these plans.

B. The use and its associated structures and facilities will not be detrimental to the public health or safety, the general welfare, or the environment.

The application is for the addition of banquet hall use to a previously approved Conditional Use Permit for a nightclub. The previous establishment was in operation since 1996, when the first Conditional Use Permit (CUP Case No. 9587-CU) was approved following the conversion of the movie theater to an entertainment venue. There were calls for police service within the last calendar, however the Police Department did not object to approval of the application. Building Code and Fire and Police requirements will continue to be enforced. The building fronts Brand Boulevard and its entrance can only be accessed from this street; there are no openings directed towards any adjacent commercial buildings and only the parking structure faces the rear of the establishment. Therefore, the banquet hall use is not expected to be detrimental to the public health or safety, the general welfare, or the environment.

C. The use and facilities will not adversely affect or conflict with adjacent uses or impede the normal development of surrounding property.

The adjacent uses include restaurant, retail and office establishments, while the Specific Plan calls for high-rise office and residential, hotels, and other uses which support the adjacent uses and their patron/residents. A banquet hall would generally be regarded as compatible with such uses, especially when the Downtown Specific Plan calls for the introduction of appropriate night-time entertainments uses such as the subject establishment. Also, operation of a banquet hall would not result in any negative impacts on adjacent properties regarding noise or traffic beyond the norms expected in a downtown area.

D. Adequate public and private facilities such as utilities, landscaping, parking spaces and traffic circulation measures are provided for the proposed use.

The original building was constructed in 1936 and a nightclub use has been in operation at the subject location for approximately 20 years with all public and

private facilities in place. While there is no parking required due to the business' legal nonconforming status, the applicant will secure parking at a nearby structure and valet service typically be provided for event patrons. The addition of banquet hall use is not expected to have any impact on the provision of adequate public and private facilities.

CONDITIONS OF APPROVAL

APPROVAL of this Conditional Use Permit shall be subject to the following conditions:

- 1) That the development shall be in substantial accord with the plans submitted with the application and presented at the hearing except for any modifications as may be required to meet specific Code standards or other conditions stipulated herein to the satisfaction of the Planning Hearing Officer.

- 4) That the premises shall be maintained in a clean and orderly condition, free of weeds, trash and graffiti.
- 5) That the facilities shall not be rented, leased or otherwise occupied for purposes not specified in this application.
- 6) That any expansion or modification of the facility or use which intensifies the existing Conditional Use Permit or Administrative Use Permit shall require a new Conditional Use Permit and Administrative Use Permit application. Expansion shall constitute adding floor area, changes to the use or operation, or any physical change as determined by the Planning Hearing Officer, with concurrence from the Director of Community Development.
- 7) That all music, lighting, noise and odors shall be confined within the building so as not to disturb occupants of other adjacent businesses or properties, and patrons on the public right-of-way. The Planning Hearing Officer's opinion shall prevail to arbitrate any conflicts.
- 8) That adequate means shall be provided for the collection of solid waste generated at the site and that all recyclable items shall be collected and properly disposed of to the satisfaction of the Integrated Waste Administrator of the City of Glendale. No trash containers shall be stored in a parking, driveway or landscaping area.

- 9) That the proprietor and his/her employees shall make an active and conscientious effort to keep customers and employees from trespassing on other nearby properties or otherwise making disturbances in the area.
- 10) That all signs displayed shall conform to the requirement of the Glendale Municipal Code.
- 11) That noise shall be contained to the site, such that persons of normal sensitivity off-site are not disturbed. The Planning Hearing Officer's opinion shall prevail to arbitrate any conflicts.

- 13) That the service of alcoholic beverages shall be in full accord with the regulations and conditions established by the State Department of Alcoholic Beverage Control.
- 14) That sufficient measures be enforced to effectively eliminate interior and exterior loitering, parking congestion, and disturbing noise, disturbing light, loud conversation and criminal activities.
- 15) That access to the premises shall be made available upon request to all City of Glendale authorized staff (i.e. Community Development Department, Fire Department, Police Department, etc.) for the purpose of verifying compliance with all laws and the conditions of this approval.
- 16) That a Business Registration Certificate shall be obtained to reference this conditional use permit and administrative use permit.
- 17) That the facilities shall not be rented, leased or otherwise occupied for purposes not specified.
- 18) That the facility shall adhere to the City's Fresh Air (smoking) Ordinance.
- 19) That the sales, service or consumption of alcoholic beverages shall be permitted only between the hours of 10:00 a.m. to 2:00 a.m. each day of the week.
- 20) That front and back doors of the establishment shall be kept closed at all times while the location is open for business, except in case of emergency. Panic bar hardware with automatic alarm shall be provided.
- 21) That dedicated security staff is required on-site in addition to any audio-visual surveillance technology the applicant may wish to utilize. An audio-visual system will not take the place of security staff and in and of itself, is not sufficient. It is recommended that the security staff be identified either by uniform or professional blazers.

22) That a minimum of two (2) security guards and one (1) Banquet Manager shall be present for events exceeding 100 patrons, so that they may intervene in disturbances and be a direct contact for a police response.

23) The authorization granted herein shall be valid for a period of **5 YEARS, UNTIL JANUARY 27 2021**, at which time, a reapplication must be made.
