DRB Decision		Approve with Conditions				

Condition(s):

1. Fiberglass windows will be acceptable. Clarify drawings to indicate this material and provide vertical section of a typical window and sills. Provide exterior muntins at all exterior windows and doors.
2. Specify the paving materials to be used for the grasscrete parking space located at the northeast portion of the lot.
3. Groundcover used for the grasscrete parking space must consist of California-friendly plants.
4. Provide drawing indicating lot coverage calculations.
5. Revise design of front entry pathway to ensure adequate width and pattern to provide required ADA and Fire Department accessibility.

Consideration:

1. Consider further highlighting the break at the center of the building at the walls below the area where the roof planes shift.
