CITY OF GLENDALE GENERAL FUND

The **General Fund** is the City's primary operating fund. It accounts for the majority of financial resources and outlays for services that the public typically associates with local government. The General Fund provides the majority of ongoing governmental services that are not funded through dedicated (restricted) funding sources. These services include Fire, Police, Library, Arts & Culture, Community Services & Parks, Community Development, Public Works and general administrative staff support services that include the City Clerk, City Treasurer, City Attorney, City Manager, Administrative Services-Finance, Human Resources, and Innovation Performance and Audit. This fund is supported by general taxes including property, sales, utility users, and other taxes, in addition to various fees and transfers from other funds.

The Budget Message, the Budget Guide, and the Resources & Appropriations sections of this document provide more in depth discussions on the FY 2017-18 General Fund budget, including budget assumptions, expenditure and revenue highlights, transfers to other funds, and the financial forecast.

The following pages provide a summary of the City's General Fund budget.

CITY OF GLENDALE SUMMARY OF RESOURCES & APPROPRIATIONS IN THE GENERAL FUND FY 2017-18 ADOPTED BUDGET

RESOURCES									
	TOTAL								
	RESOURCES								
Property Taxes	\$	56,229,054

Special Revenue Funds consist of those "restricted receipts" which may not be used for general municipal purposes. They are restricted by local ordinance, state or federal statutes, and may only be used for specific purposes. These groups of funds represent services funded primarily by other levels of government and not traditionally provided by local government. Most of the federal, state, and county grants that the City receives are accounted for in special revenue funds and must be spent and accounted for according to the specific grant requirements. Should the funding for most of these programs be eliminated, it is likely that the services would also be eliminated. Unspent revenues can be carried over to the next fiscal year because the use of the revenues is restricted and the projects they are designed to fund may take multiple fiscal years to complete. Below is a brief description of each of the thirty-five (35) *Special Revenue Funds* included in this section.

- <u>CDBG Fund (201)</u> is used to account for grants received from the U.S Department of Housing and
 Urban Development (HUD) and expended by the City as a participant in the Federal Community
 Development Block Grant Program. This program started in 1974 and since then has the greatest level
 of community participation and demand for service.
- Housing Assistance Fund (202) is used to account for monies received and expended by the City under Section 8 Housing Choice Voucher Program of the Federal Housing and Urban Development Act for rental housing assistance to low income families.
- Home Grant Fund (203) is used to account for monies received and expended by the City under the HOME Investment Partnerships Program to strengthen public-private partnerships and to preserve and provide affordable housing.
- <u>Continuum of Care Grant Fund (204)</u> is used to account for monies received by the City under the Continuum of Care Grant Program to address the homeless needs of the City.
- <u>Emergency Solutions Grant Fund (205)</u> is used to account for monies received by the City under the Emergency Solutions Grant Program to address the homeless needs of the City.
- <u>Workforce Innovation and Opportunity Act Fund (206)</u> is used to account for grant monies received and expended in the federally funded job training program.
- <u>Affordable Housing Trust Fund (209)</u> is used to account for monies received by the City from
 inclusionary housing fees for the San Fernando Corridor Redevelopment Project Area; from program
 income from affordable housing investments other than federal HOME or Low Moderate Income
 Housing Asset Fund; or from density bonus affordable housing application and monitoring fees. Funds
 are expended for affordable housing development and monitoring of affordable housing requirements.
- <u>Urban Art Fund (210)</u> is used to account for art fees collected by the City from contractors to make sure that art is added to all new construction in the City.
- Glendale Youth Alliance Fund (211) was established in FY 2010-11 to account for monies received and expended by the "self-sustaining" programs provided by the Glendale Youth Alliance (GYA). Prior to the establishment of this fund, GYA was housed entirely in the General Fund and various controlled programs were used to account for monies received and expended within these self-sustaining programs. These programs are self-sustaining because youth employment fees are charged to customers for services provided. The estimated revenue for the youth employment fees is the determining factor in establishing the program budgets. Since revenues deposited into the General Fund are considered to be a part of the general pool of monies, and the revenue generated through the

youth employment fees need to be appropriated for the self-sustaining programs only, it was decided that the creation of a Special Revenue Fund would better meet the needs of these programs.

- <u>BEGIN Affordable Homeownership Fund (212)</u> is used to account for monies received by the City from
 the state Building Equity and Growth in Neighborhoods (BEGIN) Program. Funds are expended to
 provide down payment assistance or homeowner rehabilitation loans to low and moderate income home
 buyers.
- <u>Low & Mod Income Housing Asset Fund (213)</u> is used to account for monies received as program income, which includes rental income, loan repayments and other related sources from previous Low and Moderate Income Housing Fund investments. Funds are expended for affordable housing purposes in accordance with state laws, including California Redevelopment Law and the Health and Safety Code.
- <u>Grant Fund (216)</u> is used to account for various non-CIP reimbursable grant projects received and expended citywide.
- <u>Filming Fund (217)</u> was created in FY 2015-16 to account for reimbursements received and expended from filming activity within the City.
- Measure M Local Return Fund (222) is used to account for City transportation programs and projects, operating or capital. City receives apportionment of funds monthly. Funds are a portion of the proceeds from Los Angeles County Ordinance #16-01 imposing a .5% use tax with collection beginning 7/1/17, and increasing to 1.0% on 7/1/39 upon expiration of LA County Ordinance #08-01 (MRLR).
- Air Quality Improvement Fund (251) is used to account for monies received from South Coast Air Quality Management District and expended on air pollution reduction.
- <u>San Fernando Landscape District Fund (253)</u> is used to account for assessments and expenditures associated with the San Fernando Road Corridor (SFRC) Landscape & Maintenance District Project.
- Measure R Local Return Fund (254) is used to account for the ½ cent sales tax increase, which was voter approved in November 2008, to fund the transportation needs of Los Angeles County. The collection of the tax began on July 1, 2009. Fifteen percent (15%) of the Measure R tax is designated for the Local Return (LR) Program to be used by cities and the County of Los Angeles. The Los Angeles County Metropolitan Transportation Authority (LACMTA) allocates and distributes LR funds monthly to the City on a per capita basis. The Measure R ordinance specifies that LR funds are to be used for transportation purposes only. Eligible projects include streets and roads, traffic control measures, bikeways & pedestrian improvements and public transit services.
- Measure R-Regional Return Fund (255) is used to account for a portion of the ½ cent sales tax increase, which was voter approved in 2008, to fund transportation improvements in Los Angeles County. The LACMTA reimburses the City on a project by project basis. The Measure R ordinance specifies that these regional funds are to be used for designated "highway projects" as outlined in the ordinance.
- <u>Transit Prop A Local Return Fund (256)</u> is funded through two ½ cent sales tax measures to finance the Transit Development Program. Prop A was approved in 1980 and the collection of taxes began on July 1, 1982. Twenty-five (25%) percent of the tax is designated for the Local Return (PALR) Program and the LACMTA distributes these funds monthly to the City on a per capita basis. The Proposition A

ordinance specifies that PALR funds are to be used exclusively to benefit public transit. Eligible uses of PALR funds include expenditures related to fixed route and paratransit services, transportation demand management, transportation systems management and fare subsidy programs.

- Transit Prop C Local Return Fund (257) is funded through a ½ cent sales tax measure to finance the Transit Development Program. Prop C was approved in 1990 and collection of the taxes began on April 1, 1991. Twenty (20%) percent of the tax is designated for the Local Return (PCLR) Program and LACMTA distributes these funds monthly to the City on a per capita basis. The Proposition C ordinance specifies that PCLR funds are to be used to benefit public transit service and expanded the eligibility of projects to include congestion management programs and street improvements to support public transit service.
- <u>Transit Utility Fund (258)</u> is used to account for the operating and capital costs for revenues generated by the City's public transit system. The City's transit system consists of the Glendale Beeline fixed route bus service and the sub-regional demand response service known as Glendale, La Crescenta, and La Canada Flintridge Dial-A-Ride. Revenue for this fund is derived from dedicated federal and regional operating and capital grants, sales of transit service to neighboring jurisdictions, auxiliary revenues, passenger fares and transfers from Transit Prop A Local Return Fund (256) and Transit Prop C Local Return Fund (257).
- <u>Asset Forfeiture Fund (260)</u> is used to account for the proceeds of money or property seized as a result of illegal activities. The proceeds shall be expended only for law enforcement purposes.
- <u>Police Special Grants Fund (261)</u> is used to account for various federal, state, and county grants
 received and expended by the Police Department to support programs such as safe cities, project safe
 neighborhood, seat belt enforcement, traffic education enforcement, sobriety checkpoints, wellness,
 technology purchases, and personnel training.
- <u>Supplemental Law Enforcement Fund (262)</u> is used to account for monies received from the State of California to provide funding for local agencies for the Citizen's Option for Public Safety Program (COPS).
- <u>Fire Grant Fund (265)</u> is used to account for grant monies received and expended for fire prevention programs.
- <u>Fire Mutual Aid Fund (266)</u> was created in FY 2008-09 to account for reimbursements and costs
 associated with responding to fire incidents (mutual aid) outside the City's jurisdiction. Reimbursements
 are received from either the federal government or state for labor, equipment, and overhead costs
 associated with the incident response. Prior to this fund, these reimbursements and costs were
 recorded in the General Fund.
- <u>Special Events Fund (267)</u> is used to account for reimbursements received from a variety of sources for City personnel services provided to special events.
- <u>Nutritional Meals Grant Fund (270)</u> is used to account for monies received from federal assistance programs for senior citizen services.
- <u>Library Fund (275)</u> is used to account for grant monies, donations, and special revenues received from State and local agencies to be expensed for library programs.

- <u>Cable Access Fund (280)</u> is used to account for the receipt of the public education and programming (PEG) fee and associated lease payment between the City and the Glendale Financing Authority. Effective FY 2009-10, the staff and operations for the Cable Access Fund were moved to the General Fund.
- <u>Electric Public Benefit Fund (291)</u> previously Fund 290, is used to account for the public benefit charge (PBC) that is assessed on the electric customers. As mandated by *Assembly Bill 1890*, the funds generated from the PBC shall be used to fund public benefit programs such as low income projects, research and development, and demonstration programs.
- <u>Recreation Fund (501)</u> is used to account for the various recreation programs offered by the Community Services & Parks Department. These programs are self-supporting and generate their revenue through user fees. Effective June 30, 2015, this fund is shifted from an Enterprise Fund type to a Special Revenue Fund type.
- <u>Hazardous Disposal Fund (510)</u> is used to account for the operations of the toxic waste disposal in the City. Effective June 30, 2015, this fund is shifted from an Enterprise Fund type to a Special Revenue Fund type.
- Emergency Medical Services Fund (511) is used to account for operations of the emergency transport and paramedic services in the City. The Emergency Medical Services Fund (formerly Fire Paramedic Fund) was established in FY 1998-99 and the emergency medical services program became fully operational on March 1, 2000. Over the last few years, the Fire Department has restructured the emergency medical services program to provide Basic Life Support (BLS) services, which is expected to lower the operating costs of the emergency medical services program. The goal for this program was to become self-sustaining through charges for services and reduce the fund's reliance on a transfer from the General Fund. Effective FY 2013-14 the transfer from the General Fund to the Emergency Medical Services Fund was eliminated. Effective FY 2017-18, the Emergency Medical Services Fund collapsed into the General Fund.
- <u>Parking Fund (520)</u> is used to account for the operations of City-owned public parking lots and garages.
 Effective June 30, 2015, this fund is shifting from an Enterprise Fund type to a Special Revenue Fund type.

The total appropriation in the *Special Revenue Funds* for FY 2017-18 is \$98.8 million, which reflects a net decrease of approximately \$1.85 million, or 1.8%, when compared to last year. The net decrease is the result of appropriation increases and decreases for each fund within this major fund type, in this category. Additional details of the changes within the *Special Revenue Funds* can be found in the *Resources & Appropriations* and *Combined Fund Statement* sections of this book.

The following pages provide a summary of the budget for each of the City's Special Revenue Funds for the budget year ending June 30, 2018.

CITY OF GLENDALE DEBT SERVICE FUNDS

Debt Service Funds are used to account for the accumulation and disbursement of financial resources that will be used to make principal and interest payments on general long-term debt of the City of Glendale. This fund type is recognized in Generally Accepted Governmental Accounting Standards.

Cities have three choices in financing their operations and funding public facilities: pay-as-you-go, debt financing, and public/private ventures. The City has used debt financing primarily to finance major capital facilities or to pre-pay long-term obligations. It is the practice of the City to ensure that all annual debt obligations are met. The City's General Fund has no outstanding general obligation (GO) debt. In addition, the City monitors trustee-held accounts and guaranteed investments, complies with bond covenants and Internal Revenue Service regulations, discloses the required information to the municipal bond market and manages liquidity and credit enhancement contracts.

The City's long-term debt is comprised of revenue bonds, variable rate demand certificates of participation (COP), and capital leases. There is one remaining Debt Service Fund with an appropriation for FY 2017-18: Police Building Project Fund (303). The following is a brief summary of the City's active Debt Service Fund:

<u>Police Building Project Fund (303)</u> is used to accumulate monies for the interest and principal
payments of the 2000 Police Building Project Variable Rate Demand Certificates of Participation. The
debt service is currently financed via the interest earnings in the fund and a transfer from the General
Fund.

Interest and principal payments budgeted in the Debt Service Fund for FY 2017-18 total \$2.22 million.

BOND RATING

The bond rating process is an analysis of the City's current financial condition and a forecast of future financial performance conducted by various rating agencies. There are three prominent rating agencies: Standard & Poor's (S&P), Moody's, and Fitch. Bond ratings provide investors with a simple way to compare the relative investment quality of different bonds. Bond ratings express the opinions of the rating agencies as to the issuer's ability to pay debt service when it is due. In general, the credit rating analysis includes the evaluation of the relative strengths and weaknesses of the following four factors as they affect an issuer's ability to pay debt service: fiscal, economic, debt, and management factors. Bonds which are rated AAA & Aaa are judged to be the best quality. The higher the rating for a debt issuance indicates a higher probability that all obligations will be honored. As such, higher rated debt carries a smaller amount of risk and a lower interest rate. As there are many factors that can impact an entity's financial condition and ability to service its debt, rating agencies will periodically review and update their bond ratings as needed.

In June 2017, Standard & Poor's (S&P) affirmed the City's implied general obligation rating of 'AA+'. S&P's opinion is that the City has a stable outlook due to its very strong budgetary flexibility and strong management conditions. In June 2017, Fitch Ratings affirmed the City's implied general obligation rating of 'AA+'. This rating reflects the City's sound reserve levels, good liquidity, satisfactory financial performance, and prudent financial policies and budgeting practices. In June 2017, Moody's Investors Service affirmed the City's issuer rating of 'Aa2'. The rating primarily reflects the credit strength of the City's large and diverse tax base and the City's location in the Los Angeles regional economy. In addition, it reflects the view that the City's economic indicators and financial performance are relatively stable, and that local and regional economies are improving sufficiently to support projected expenditures. As of June 30, 2017, the City's General Fund has no outstanding GO debt.

CITY OF GLENDALE DEBT SERVICE FUNDS

In July 2016, the City entered a second three-year contract with Bank of America to purchase Glendale Variable Rate Demand Certificates of Participation (2000 Police Building Project). In July 2016, Fitch Ratings affirmed their rating of 'AA' and Moody's Investors Service affirmed their rating of 'A1'. In October 2016, Moody's upgraded their rating from A1 to Aa3. Standard & Poor's does not rate these bonds. The aforementioned agency ratings of the City's COPs are positive indicators of the City's strong financial position, prudent financial and budgetary policies, and overall creditworthiness.

The City's current bond ratings are as follows:

		Standard & Poor's	Fitch
Debt Issue	Moody's	(S & P)	Ratings
Issuer Credit Rating/Implied General Obligation	Aa2	AA+	AA+
Police Building Project (COPs)	Aa3	N/A	AA

The annual debt service requirement to amortize governmental long-term bonded debt in the Debt Service Fund as of June 30, 2017 is as follows (in thousands):

P	olice Building l	Project (COP	s)
			Total
Fiscal Year	Interest*	Principal	Debt Service
2018	\$ 314	\$ 1,905	\$ 2,219
2019	405	1,985	2,390
2020	425	2,070	2,495
2021	437	2,155	2,592
2022-2026	2,066	12,755	14,821
2027-2030	869	12,915	13,784
Total	\$ 4,516	\$ 33,785	\$ 38,301

Notes:

^{*} Monthly interest payments for the Police Building Project (COPs) are based on a variable rate indexed to the 30-day LIBOR; therefore, the interest portion of the anticipated annual debt service is estimated periodically and budgeted for through the annual budget adoption process. Any necessary post-adoption adjustments to budgeted interest payments for the fiscal year will be incorporated into the quarterly budget adjustment process.

CITY OF GLENDALE DEBT SERVICE FUNDS

CITY OF GLENDALE LEGAL DEBT MARGIN Through June 30, 2018 (unaudited)

Under the City Charter, the total bonded debt of the city shall at no time exceed a total of fifteen (15) percent of the assessed valuation of all property taxable for city purposes. The most recent assessment provided by the County of Los Angeles' Auditor-Controller is as of August 2017, wherein the City's net assessed property value is reported to be approximately \$24.2 billion. The City's charter required debt limit is calculated to be fifteen percent of this value, or approximately \$3.6 billion. The legal debt margin is also calculated to be \$3.6 billion, reflecting that there is currently no outstanding debt applicable to the legal debt limit and that the City is not at risk of exceeding this limit.

Notes:

^{*} Source: County of Los Angeles, Auditor-Controller's Office. As a result of AB 1x26, the Net Assessed Value calculation does not include the assessed valuations for the former Glendale Redevelopment Agency's project areas (Central District: \$3,815,567,999 San Fernando Corr. District: \$2,407,989,743).

^{**} As a result of AB 1x26, the debt associated with the Glendale Redevelopment Agency (Funds 302, 304, 307, 308, and 309) became obligations of the Successor Agency, which is a separate legal entity. As such, this debt will no longer be included in the Legal Debt Margin calculation.

The **Capital Improvement Program (CIP)** is primarily a tool for the long-range planning and programming of the City's capital needs. It provides a method for prioritizing the needs of the community. Capital improvements are projects of large scope which usually result in new public facilities or major improvements to existing public facilities. Also included in this broad definition of the term are: major replacements and reconstructions; items of large equipment such as fire trucks, furniture and other equipment (when purchased as a part of the initial projects); and acquisition of land needed for projects within and beyond the immediate five-year period.

Due to the size of CIP projects, they are planned and budgeted on a ten year basis, with the "Future Years" column representing a five-year time span. When the FY 2017-18 City of Glendale budget was adopted by the City Council, only the FY 2017-18 CIP budget was approved and authorized. All projects are evaluated annually during the budget process and, as funding permits, resources are allocated to those projects deemed most important to the community and in alignment with City Council's priorities. The remaining projects and anticipated appropriations are a general guide for the next four to nine years. Their inclusion in this budget is for informational and planning purposes. Thus, the City government has an annual review of its capital program, and there is assurance that every project undertaken is carefully evaluated in relation to all other needs, so that funds expended will be the most beneficial for the public.

All City governmental capital improvements are funded on a "pay-as-you-go" or cash basis, but the City recognizes that there may be times when an alternative financing strategy may be the preferred option. All viable financing strategies (e.g., General Obligation Bonds, Certificates of Participation, and Lease-Back arrangements, etc.) are considered in light of their respective projects, and adequate consideration is given to their possible benefits or consequences.

The downturn in the economy and the State's efforts to take local resources have had a significant impact on the City's ability to improve its infrastructure, most notably the General Fund CIP portion. To help mitigate the impact of the economic downturn, sales tax revenue that was once deposited into the CIP Fund (401) remains in the General Fund. For FY 2010-11 and FY 2011-12, the City did not dedicate any sales tax funding to pay for infrastructure projects. In FY 2012-13, FY 2013-14, and FY 2014-15, the General Fund transferred 1.0% of the sales tax revenue to the CIP Fund. Starting FY 2015-16, the 1.0% General Fund transfer of the sales tax revenue to the CIP Fund increases every year by 0.25% totaling to a transfer of 1.75% for FY 2017-18. Despite these budget challenges to the General Fund portion of the CIP, other major capital projects for public transit, parks, library, street, sewer, refuse, electric and water utilities can still proceed because their funding comes from other sources such as federal, state and regional funding, and revenue generated from enterprise funds. Redevelopment funds have been used by the City for development of community and recreational facilities. However, the Glendale Redevelopment Agency and its funding from redevelopment tax increment and bond proceeds diminished when the State Legislature passed AB 1x 26, dissolving redevelopment agencies across the state. For FY 2017-18, the City will continue to strategically allocate limited public funds to the CIP in the absence of redevelopment funding.

There are currently eight (8) funds under the Capital Improvement Program Category: the General Fund CIP (Fund 401), the State Gas Tax Fund (Fund 402), the Scholl Canyon Landfill Post-Closure Fund (Fund 403), the Parks Mitigation Fee Fund (Fund 405), the Library Mitigation Fee Fund (407), the Parks Quimby Fee Fund (408), the CIP Reimbursement Fund (409), and the San Fernando Corridor Tax Share Fund (Fund 410). Other than the funds listed above, there are other CIP projects that are appropriated under different funds throughout the department budgets and for this reason, this section will include discussion not only for the CIP Category funds, but on all citywide Capital Improvement projects.

The City's total CIP appropriation for FY 2017-18 is approximately \$50.5 million including the appropriation for the Scholl Canyon Landfill Post-Closure Fund (Fund 403). The FY 2016-17 CIP appropriations was \$63.7 million. The budget decrease, as compared to last year, is mainly attributable to a decrease in new appropriation for capital improvement projects for Community Development, Community Services & Parks, and Glendale Water & Power. Below are the major highlights of the City's CIP program for FY 2017-18 by department.

- Community Development comprises \$3.9 million of the total CIP appropriation for FY 2017-18 of which \$799 thousand is in the Grant Fund (Fund 216), \$711 thousand is in the Measure M Local Return Fund (Fund 222), \$401 thousand is in the Measure R Local Return Fund (Fund 254), \$50 thousand is in the Transit Prop C Local Return Fund (Fund 257), \$1.6 million is in the CIP Reimbursement Fund (Fund 409) and \$400 thousand is in the San Fernando Corridor Tax Share Fund (Fund 410). Some of the major projects budgeted for FY 2017-18 include Transit Buses, Beeline Maintenance Facility and Flower Street Improvement & Widening project.
- Community Services & Parks comprises \$4.0 million of the total CIP appropriation for FY 2017-18 of which \$3.2 million is in CIP General Fund (Fund 401), \$450 thousand is in the CDBG Fund (Fund 201), and \$364 thousand is in the Recreation Fund (Fund 501). Some of the major projects budgeted for FY 2017-18 include Fremont Park Renovation, Lower Scholl Renovation, Nibley Restroom Renovation, Homeless Housing Project, and the Replacement of the Splash Pad in Pacific Park project.
- Fire Department comprises \$698 thousand of the total CIP appropriation for FY 2017-18 of which \$663 thousand is in the CIP General Fund (Fund 401) and \$35 thousand is in the Hazardous Disposal Fund (Fund 510). Some of the major projects budgeted for FY 2017-18 include the Fire Station 29 Reconstruction, the Replacement of FS 21 Compressor, and the HHW Ventilation System Replacement project.
- Glendale Water & Power comprises \$12.8 million of the total CIP appropriation for FY 2017-18, of which \$6.5 million is for projects budgeted in the Electric Depreciation Fund (Fund 583), \$1.8 million in the Electric Customer Paid Capital Fund (Fund 585), \$3.0 million in the Water Depreciation Fund (Fund 593) and \$1.5 million in the Water Customer Paid Capital Fund (Fund 595). Some of the significant projects budgeted for FY 2017-18 include Perkins Tenant Improvements, the Glendale Heights Tank Replacement, Perkins Water Feature Renovation, and the Howard Substation.
- Information Services Department comprises \$4.8 million of the total CIP appropriation for FY 2017-18, of which \$383 thousand is in the ISD Infrastructure Fund (Fund 603), \$4.2 million is in the ISD Applications Fund (Fund 604) and \$193 thousand is in the ISD Wireless Fund (Fund 660). Some of the significant projects budgeted for FY 2017-18 include the Disaster Recovery Site, the Crossroads Mobile Ticketing, the CSI Replacement, and the Cell Q1 Battery Monitoring System.
- Library, Arts & Culture comprises \$450 thousand of the total CIP appropriation for FY 2017-18 of which \$200 thousand is in the CIP General Fund (Fund 401) and \$250 thousand is in the Library Mitigation Fee Fund (Fund 407). Some of the major projects budgeted for FY 2017-18 include Branch Libraries and the Central Library Renovation.
- Police Department comprises \$450 thousand of the total CIP appropriation for FY 2017-18. This
 amount is for the Jail Security System Video & Touchscreen Upgrade in the CIP General Fund
 (Fund 401).

• Public Works comprises \$21.4 million of the total CIP appropriation for FY 2017-18 of which \$2.6 million is in the CIP General Fund (Fund 401), \$1.8 million is in the Measure R Regional Fund (Fund 255), \$4.1 million is in the State Gas Tax Fund (Fund 402), \$567 thousand is in the CIP Reimbursement Fund (Fund 409), \$800 thousand is in the Parking Fund (Fund 520), \$10.0 million is in the Sewer Fund (Fund 525), \$400 thousand is in the Refuse Disposal Fund (Fund 530), \$435 thousand is in the Fleet Management Fund (Fund 601) and \$742 thousand is in the Building Maintenance Fund (Fund 607). Some of the major projects budgeted for FY 2017-18 include Street Improvements, Illuminated Street Sign Replacement, Doran Street Traffic Signal Modification/Installation & Roadway, Street Resurfacing Program, Street Tree Maintenance, Riverside Drive & Western Avenue Rehabilitation project, the Glendale Sub-Regional Traffic Management project, the Hyperion Waste Water System project, LA-Glendale Water Reclamation Plant, and the MSB Exterior Refurbishment project.

The schedules on the next few pages provide a list of all the active projects citywide, project appropriations, life-to-date expenditures and forecast.

**New Fund number effective FY 2017-18.

SUMMARY OF CIP FUNDS APPROPRIATIONS & FUNDING SOURCES

The following section provides a summary, the listing of all the FY 2017-18 project appropriation, and the funding sources of the General Fund Capital Improvement Fund (Fund 401), the State Gas Tax Fund (Fund 402), the Scholl Canyon Landfill Post-Closure Fund (Fund 403), the Parks Mitigation Fee Fund (Fund 405), the Library Mitigation Fee Fund (Fund 407), the Parks Quimby Fee Fund (Fund 408), the CIP Reimbursement Fund (Fund 409), and the San Fernando Corridor Tax Share Fund (Fund 410).

General Fund CIP (401)

The FY 2017-18 General Fund CIP (Fund 401) includes \$9.1 million of new appropriations for the following projects:

- Fremont Park Renovation \$2,000,000 (Community Services & Parks)
- Transfer to Landfill Post Closure Fund \$2,000,000 (Non-Departmental)
- Street Improvements \$1,300,000 (Public Works)
- Illuminated Street Name Sign Replacement (LED)- \$700,000 (Public Works)
- Fire Station 29 Reconstruction \$500,000 (Fire)
- Jail Security System Video & Touchscreen Upgrade \$450,000 (Police)
- Lower Scholl Renovation \$350,000 (Community Services & Parks)
- Citywide Playground Equipment \$250,000 (Community Services & Parks)
- Nibley Restroom Renovation \$250,000 (Community Services & Parks)
- Parks Unanticipated Repairs \$200,000 (Community Services & Parks)
- Branch Libraries \$200,000 (Library, Arts & Culture)
- Signal Power Backup System- \$184,000 (Public Works)
- Glendale Sub-Regional Traffic Management Center \$174.000 (Public Works)
- Project Management Staff \$133,100 (Public Works)
- ADA Facility Modification \$125,000 (Public Works)
- Pacific Park Shade Structure \$121,771 (Community Services & Parks)
- Replacement of FS 21 Compressor \$73,000 (Fire)
- Fire Station 28 Reconstruction \$50,000 (Fire)
- Fire Station 26 Reconstruction \$40,000 (Fire)

The main revenue sources for the General Fund CIP (Fund 401) come from the Scholl Canyon Royalty Fee, and the 1.75% sales tax transferred from the General Fund. The schedule on the next page provides a summary of the General Fund Capital Improvement Program and projected ending fund balances ending June 30.

CAPITAL IMPROVEMENT PROJECT HIGHLIGHTS AND OPERATIONAL IMPACTS

This section provides project descriptions and operational impact assessments for capital improvement projects within all funds citywide. The schedule on the following pages lists the project, the project description, the adopted FY 2017-18 budgeted amounts for those projects that have new appropriation, and identifies if the project has impact upon operational costs. Operational impacts are costs associated with additional personnel, additional maintenance costs, or additional utility costs.

Notes:

State Gas Tax Fund (402)

The FY 2017-18 State Gas Tax Fund includes new appropriations of approximately \$4.1 million for the following Public Works projects:

- Street Resurfacing Program \$975,000
- Street Tree Maintenance \$610,000
- Riverside Drive & Western Avenue Rehabilitation \$600,000
- Kenneth Road Rehabilitation \$500,000
- Gutter Construction Program \$400,000
- Street Reconstruction Program \$400,000
- Slurry Seal Maintenance Program \$300,000
- Sidewalk Maintenance Program \$200,000
- Traffic Signal Installations/Modification \$150,000

The State gas tax is derived from taxes collected on each gallon of gasoline purchased in the State of California. Funding is allocated to cities on a shared basis based primarily on population. Gas tax revenues are restricted to be used for construction, improvement, and maintenance of public streets.

^{*}Assumptions

All Grant related expenditures in the CIP fund will be 100% reimbursed.

²⁾ All remaining appropriations including encumbrances are spent.

Scholl Canyon Landfill Post-Closure Fund (403)

As the operator of a solid waste landfill, the City is required to make transfers to a post-closure trust fund over the life of the landfill to ensure adequate resources are available for a 30 year commitment for post-closure maintenance. Necessary funding is set aside annually for this purpose.

Pursuant to Assembly Bill 2248 and the regulations established by the California Integrated Waste Management Board (Board), landfill operators are required to submit an initial cost estimate of closure and post-closure maintenance and to establish a financial mechanism to demonstrate the availability of funding to conduct closure and post-closure maintenance activities. The City selected a trust fund as the financial mechanism and the Board approved this. The City Treasurer was designated as the trustee to ensure that the City set aside the required transfers annually. The City subcontracts with Los Angeles County Sanitation District to operate Scholl Canyon and, as part of this contract, the County is responsible for the closure costs of Scholl Canyon. The City is responsible for the post-closure maintenance costs of Scholl Canyon. Based on an estimated average annual filled capacity of 460,000 tons, the Scholl Canyon Landfill has a remaining life of approximately 6 years. The City records the annual provision for the required landfill transfer as designated cash from the Capital Improvement Fund (Fund 401) to the Landfill Post-Closure Fund (Fund 403). The total designated cash balance in this fund is \$29.9 million as of June 30, 2017. The total current cost of landfill closure and post-closure care is an estimate that is subject to change resulting from inflation, deflation, technology, or changes in applicable laws or regulations. It should be noted that funds have not been appropriated in this fund for FY 2017-18 and prior years. Cash has been set aside for a time after the eventual closure; therefore funds will be appropriated at some point in the future. Until such time, we will continue to accumulate funding for this future obligation. In FY 2017-18, the transfer to the Scholl Canyon Landfill Post Closure Fund is \$2.0 million.

Parks Mitigation Fee Fund (405)

The Parks Mitigation Fee Fund was created to mitigate the cost of developing new parks and to rehabilitate existing parks and recreational facilities. Fund revenues are derived from fees imposed on new residential, commercial, and industrial developments. There are no new appropriations in this fund for FY 2017-18.

Library Mitigation Fee Fund (407)

The Library Mitigation Fee Fund was created to maintain adequate library services for new residents by mitigating the cost of developing new libraries and/or adding to existing collections. Revenues to the fund are derived from fees imposed on new residential, commercial and industrial developments. For FY 2017-18 there is new appropriation in the amount of \$250,000 budgeted in this fund for the Central Library Renovation project.

Parks Quimby Fee Fund (408)

The Parks Quimby Fee Fund was created to mitigate the cost of developing new parks and rehabilitating existing parks and recreational facilities. Fund revenues are derived from fees imposed on new residential, commercial and industrial developments. There are no new appropriations in this fund for FY 2017-18.

CIP Reimbursement Fund (409)

The CIP Reimbursement Fund was established during FY 2013-14 and was created for capital improvement projects funded by Grants. For the FY 2017-18, the CIP Reimbursement Fund includes new appropriation of approximately \$2.1 million for the following projects:

- Beeline Maintenance Facility \$1,556,400 (Community Development)
- Glendale Sub-Regional Traffic Management \$521,550 (Public Works)
- Los Feliz Entryway Improvement \$45,000 (Public Works)

San Fernando Corridor Tax Share Fund (410)

The San Fernando Corridor Tax Share Fund was the County of Los Angeles' contribution to the City of Glendale of 60% of County's share of tax increment (pass through) funds from the San Fernando Road Corridor Redevelopment Project Area to be used by the City to construct regional public improvement projects benefiting the County. For FY 2017-18 the San Fernando Corridor Tax Share Fund includes new appropriations of \$400 thousand for the Flower Street Improvement and Widening project.

The Schedules on the next few pages provide a summary of the budgets for the year ending June 30, 2018.

Project	Project Description	Adopted FY 2017-18	Operating Budget Impact
General Fund CIP (101)			
101- Community Development			
Laemmle	Economic development subsidy in the amount of \$1.1M in exchange for the construction, opening, and continued operation of the Theatre Component of the Project for a period of 15 years. The Theatre Component, which contributes to the downtown Art & Entertainment District, consists of a Laemmle Theatre containing five (5) screens and up to six hundred (600) seats within an approximately 10,000 square foot area.	\$ -	No Impact
General Fund CIP (401)			
401-301- Police	I have do of the Taille eviction video/comerce evictors to release and accomit, control	I	
Jail Security System Video & Touchscreen Upgrade	Upgrade of the Jail's existing video/camera system, touchscreen/security control system and video visitation components. The jail's existing security system is outdated and in need of an upgrade in order to continue to ensure the safe and secure operation of the City's Jail facility.	\$ 450,000	No Impact - Could possibly be less labor intensive
401-401 - Fire		ı	
Fire Station 29 Reconstruction	FS 29 Reconstruction for co-ed restrooms including design and engineering of future station remodel to provide for female accommodations on the first floor as well as ADA compliance	\$ 500,000	Minimal Impact -Expansion of facility could increase the number of items that might require future maintenance
Replacement of FS 21 Compressor	Replacement of Bauer K15 Air Compressor at FS 21, this unit was acquired in 1993. The current air compressor at FS 21 has reached its service life.	\$ 73,000	Minimal Impact - Better energy efficiency might result in utility cost savings
Fire Station 28 Reconstruction	Fire Station 28 - Design for female Accommodations/Dorm + Restroom Required to provide future cost for project	\$ 50,000	No Impact - Design phase only
Fire Station 26 Reconstruction	Complete the reconstruction project and make necessary repairs to the flooring of Station 26.	\$ 40,000	Minimal Impact -Expansion of facility could increase the number of items that might require future maintenance
Training Center Burn Building Reconstruction	The purpose of this project is to reconstruct Fire Department's Burn Building located	\$ -	No Impact
401-501 - Public Works	at its Training Center.		•
Street Improvements	Pavement rehabilitation projects to maintain the current Pavement Condition Index (PCI). The Pavement Management System (PMS) will be used to identify and prioritize the streets to be treated and rehabilitated. Treatments will be used to extend the useful life of the pavement from 3-15 years, respectively.	\$ 1,300,000	Minimal Impact - Increase on maintenance costs
Illuminated Street Sign Replacement	Replace damaged and faded internally illuminated street name signs with LED signs in the downtown area (Phase 1 and 2).	\$ 700,000	Minimal Impact - Increase on maintenance costs
Signal Power Backup System	Installing a power backup system and batteries to maintain traffic signal operation during power outages.	\$ 184,000	Minimal Impact - Increase on maintenance costs
Glendale Sub-Regional Traffic Management Center	Building a new center with new technology features and traffic signal control system capable of sharing traffic data with the LA County Information Exchange Network (IEN) and LA Metro's Regional Integration of Intelligent Transportation Systems (RIITS).	\$ 174,000	Minimal Impact - Increase on personnel and utility costs
Project Management Staff	Project management overhead cost	\$ 133,100	Minimal Impact - Increase on personnel costs
ADA Facility Modifications	Improvements and modifications to City facilities to comply with Americans with Disabilities Act (ADA) requirements.	\$ 125,000	No Impact
City Hall Building Renovation	City Hall Building Renovation, including office reconfiguration and restroom renovation to meet ADA requirements and replacing the lights with energy efficient LED lighting.	\$ -	Minimal Impact - Better energy efficiency might result in utility cost savings
Fremont Park Renovation	Fremont Park is the oldest park in the City, acquired and developed in 1922, last improved in 1988. The Master Plan for the project was approved in December 2015 and includes a new artificial turf soccer field, new playground, splash pad, community building, basketball courts, lighting, irrigation and electrical upgrades. The project is in the design development phase and the park will be fully renovated based on the approved master plan, and possibly phased depending on funding availability.	\$ 2,000,000	Significant Impact - Increase on maintenance, utilities, and personnel costs
Lower Scholl Renovation	Renovation of the existing restroom facility and the picnic area at Lower Scholl Canyon Park. The project scope will include roof replacement, plumbing and electrical upgrades, partition and fixture replacement, and perimeter lighting improvements for safety.	\$ 350,000	Minimal Impact - Increase on future maintenance costs
Citywide Playground Equipment	Replace existing playgrounds due to wear and tear to ensure the safety of the children using the playgrounds. Playgrounds planned for replacement this year include Nibley Park and Mayor's Bicentennial Park.	\$ 250,000	No Impact
Nibley Restroom Renovation	Renovation of the existing restroom facility at Nibley Park. The structure was last renovated in the 1980s. The project scope will include roof replacement, plumbing and electrical upgrades, partition and fixture replacement and perimeter lighting improvements for safety.	\$ 250,000	No Impact
Parks Unanticipated Repairs	This project is to be used for unanticipated parkland repairs and minor improvements throughout the citywide network of parks and open space. This budget is allocated for any unanticipated costs in labor, materials, equipment, and other operating costs that may arise during the year related to the maintenance of the parks. Often these include incidents of vandalism that result in the need for repair or renovation to a portion of a park building, or other park improvements (e.g. drinking fountains, bathrooms, playground equipment).	\$ 200,000	No Impact

Project 401-601- Community Services & Parks	Project Description	Adopted FY 2017-18	Operating Budget Impact
Pacific Park Shade Structure	Install new shade structures in the playground area of Pacific Park and the Pacific Community Pool to provide shade during the hot summer months.	\$ 121,771	Minimal Impact - Increase on future maintenance costs
Rockhaven Rehabilitation	Maintenance funds limited to perform bare minimum landscape maintenance and only arresting further deterioration of buildings in this 3.5-acre historic sanitarium complex consisting of 15 buildings. Repairs could include roofs, pest control and plumbing.	\$ -	No Impact
GHS Tennis Courts Renovation	As an EIR mitigation requirement from the Adult Recreation Center project, this project includes rehabilitation of six existing tennis courts, and a jointly funded new restroom building, for joint use between the City of Glendale and GUSD. The work includes resurfacing six tennis courts, new lighting system, new fencing, and ADA accessible restrooms.	\$ -	No Impact
Verdugo Park Renovations	As part of a mini-masterplan, renovate Verdugo Park including the infra-structure, landscaping, lighting, restrooms, concession building, and other park amenities.	\$ -	No Impact
Deukmejian Nature Education Center	The Le Mesnager Barn in Deukmejian Wilderness Park was built between 1914 and 1918 and has approximately 3,000 square feet of interior space. It is of historical significance as a relatively rare example of a two-story vernacular rock structure because of its association with George Le Mesnager (a prominent figure in this area in the early 20th century), its association with the early development of the wine industry in southern California, and the structure's unusual arched roof trusses. The structure will become a nature education center and community building with a focus on the natural and human history of the Crescenta Valley and San Gabriel Mountains. Funding will help complete the project by building a restroom and furnishing it.	\$ -	Minimal Impact - Increase on future maintenance, utility and personnel costs
Glorietta Park Lighting & Irrigation	Replace irrigation and lighting systems throughout the park. As the existing parking lot lighting system is beyond repair and poses a safety hazard, these repairs will provide a safer place for children to play, as well as a safer place for all the community members to enjoy.	\$ -	No Impact
Pacific Community Center Construction	Repair multiple construction defects and the resulting damages to the gymnasium and community center shared with GUSD.	\$ -	No Impact
Stengel Field Rehabilitation Design & Construction	Demolition of the clubhouse and bleachers at Stengel Field and installation of aluminum bleachers.	\$ -	No Impact
Riverwalk LA Outfall Bridge	The Glendale Narrows Riverwalk (Riverwalk) site is located on the north bank of the Los Angeles River opposite from Griffith Park. This project will provide approximately one mile of recreational trail for bicyclists and pedestrians, with associated parks, rest areas, river overlooks, an equestrian facility, interpretive signage, a public art project, and potentially two bridges connecting Riverwalk to Griffith Park and/or North Atwater. The project is divided into three phases. The construction of Phase 1 was completed in December 2012. This phase, Phase 2, will complete two parks and the remainder of the trail along the Riverwalk, as well as a crossing over a flood control culvert to connect the two trail segments and complete the one mile stretch that is within the city boundary.	\$ -	Minimal Impact - Increase on maintenance and personnel costs
401-681 - Library, Arts & Culture			In a second
Branch Libraries	To provide ongoing building maintenance of neighborhood libraries and the Brand Library & Art Center.	\$ 200,000	No Impact - One-time physical improvement
Brand Library Renovation	Complete construction of 1904 and 1969 structures based on developed architectural and engineering plans. Includes seismic retrofit, HVAC, plumbing, electrical and telecommunication upgrades, and ADA access.	\$ -	Minimal Impact - Increase on maintenance, utilities, and personnel costs
Central Library Renovation	The renovation project will improve the facility's functionality, address changes in how people approach and access the library, provide building improvements, fulfill ADA compliance, improve space utilization, and provide seismic retrofits. The renovations will enhance the structure's compatibility with Library functions to better accommodate collections and services and allow for new models of service that include a single service point, a room dedicated to Man's inhumanity to Man, and a Maker Space.	\$ -	Significant Impact - Increase on maintenance, utilities, and personnel costs
Montrose Branch Library	Upgrades Montrose Neighborhood Library interior spaces to better meet community needs.	\$ -	No Impact - Only physical improvement

Non-General Fund CIP			
Community Development			
Beeline Maintenance Facility	Federal & Metro grant funding for facility project. Includes Call For Projects funding (competitive grant funding not awarded by formula) in Metro reallocation request. (Measure M Local Return Fund - 222 & CIP Reimbursement Fund - 409, Measure R Local Return Fund - 254 & Transit Prop A Local Return Fund - 256)	\$ 2,267,500	Minimal Impact - Beginning 2020, Maintenance costs estimated to be about \$100k annually and also increases in utility costs. Expenses will be offset by contract savings from currently leased facility
Transit Buses	Federal grant funding to replace two (2) Beeline buses in accordance with bus replacement schedule. (Grant Fund - 216 & Measure R Local Return Fund - 254)	\$ 1,200,000	No Impact
Flower Street Improvement & Widening	Expenditure of County funds that have been set aside for regional public improvement projects in the San Fernando Road Corridor Redevelopment Project Area. \$400K is for the first year of the planning & design stage of a 5-yr, \$10M project to complete a variety of street improvements to Flower Street between Sonora and east of Grandview. (SF Corridor Tax Share Fund - 410)	\$ 400,000	Possible Minimal Impact - Increase on M&O of traffic signals and landscape maintenance
Bus Stop Improvements	Funds concrete work at misc. bus stops in conjunction with PW Engineering street improvements. (Transit Prop C Local Return Fund - 257)	\$ 50,000	No Impact

Project	Project Description	Adopted FY 2017-18	Operating Budget Impact
Fareboxes	Federal grant funding and local match to replace the fare collection system for Beeline buses that is overdue for replacement. (Grant Fund - 216 & Transit Prop A Local Return Fund - 256)	\$ -	No Impact
Dial-A-Ride Vehicles	Federal grant funding and Local match to replace six (6) Dial-A-Ride vehicles in accordance with replacement schedule. (Grant Fund - 216 & Measure R Local Return Fund - 254)	\$ -	No Impact
Bus Benches and Shelters	Funds bus stop amenities including sign replacement program, replacement of damaged furnishings, new furniture for street improvement projects. (Transit Prop A Local Return Fund - 256)	\$ -	Minimal Impact - Increase on possible maintenance costs
Refurb of GTC (Train Station)	Structural and architectural refurbishment to maintain historic train station. Lighting upgrade to LED and roof replacement completed. Repair/replace wood beams, plaster façade, stucco and paint. (Transit Prop C Local Return Fund - 257)	\$ -	Minimal Impact - Increase on possible maintenance costs
Community Services & Parks			
Homeless Housing Project	Funds will be used to acquire and rehabilitate a 12-15 unit apartment building to be used as permanent supportive housing. It is anticipated that the permanent supportive housing facility will be operated by a non-profit homeless agency experienced in administering a permanent supportive housing facility for the homeless. (CDBG Fund - 201)	\$ 370,000	No Impact
Replace Splash Pad at Pacific Park	Replacement of the existing splash pad at Pacific Park. (Recreation Fund 501)	\$ 364,000	Significant Impact - Increase on maintenance and utilities costs
Pacific Park Playground/Pools Shade Structure	Install new shade structures at the playground area of Pacific Park and the Pacific Community Pool to provide shade during the hot summer months. (CDBG Fund - 201)	\$ 79,792	Minimal Impact - Increase on future maintenance costs
GHS Tennis Court Renovation	As an EIR mitigation requirement from the Adult Recreation Center project, this project includes rehabilitation of six existing tennis courts, and a jointly funded new restroom building, for joint use between the City of Glendale and GUSD. The work includes resurfacing six tennis courts, new lighting system, new fencing, and ADA accessibility restrooms. (Parks Mitigation Fee Fund - 405)	\$ -	No Impact
Planning and Design Studies	Planning and feasibility studies for potential new projects that do not have a funding commitment, but may be potential for park and/or usable open space development. The planning and design account will focus on finding projects that can provide much needed open space to a number of highly dense neighborhoods. (Parks Mitigation Fee Fund - 405)	\$ -	No Impact
Sports Complex Batting Cage	The batting cages were originally a component of Phase II of the Glendale Sports Complex and was evaluated in the project EIR. This amenity will add a new recreational opportunity to the campus, feature six batting bays, and provide the potential to be a key revenue generating feature given that very few exist in the region. (Parks Mitigation Fee Fund - 405)	\$ -	Minimal Impact - Increase on future maintenance, utilities and personnel costs
Pedestrian Paseo from Central	This project funding in combination with Central Park Plaza will fund the planning and development of the improvements at Central Park. (Parks Mitigation Fee Fund - 405)	\$ -	No Impact
Deukmejian Nature Education Center	The Le Mesnager Barn in Deukmejian Wilderness Park was built between 1914 and 1918 and has approximately 3,000 square feet of interior space. It is of historical significance as a relatively rare example of a two-story vernacular rock structure because of its association with George Le Mesnager (a prominent figure in this area in the early 20th century), its association with the early development of the wine industry in southern California, and the structure's unusual arched roof trusses. The structure will become a nature education center and community building with a focus on the natural and human history of the Crescenta Valley and San Gabriel Mountains. (Parks Mitigation Fee Fund - 405)	\$ -	Minimal Impact - Increase on future maintenance, utility and personnel costs
Mid City Park Development Master Plan	This project funding in combination with Central Park Plaza will fund the planning and development of the improvements at Central Park. (Parks Mitigation Fee Fund - 405)	\$ -	No Impact
Outdoor Fitness Equipment	Purchase and installation of outdoor fitness equipment at Carr Park and other parks in central and southern Glendale. At Carr Park the new fitness equipment will be clustered on the concrete slab at the park, like an outdoor gym. (Parks Mitigation Fee Fund - 405)	\$ -	Minimal Impact - Increase on future maintenance costs
Fremont Park Renovation Design	Fremont Park is the oldest park in the City, acquired and developed in 1922. The park was last improved in 1988. The Master Plan for the project was approved in December 2015. The project is in design development phase and the park will be improved in phases on the master plan, and funding availability. (Parks Mitigation Fee Fund - 405)	\$ -	Significant Impact - Increase on maintenance, utilities, and personnel costs
Riverwalk LA Outfall Bridge	The Glendale Narrows Riverwalk (Riverwalk) site is located on the north bank of the Los Angeles River opposite from Griffith Park. This project will provide approximately one mile of recreational trail for bicyclists and pedestrians, with associated parks, rest areas, river overlooks, an equestrian facility, interpretive signage, a public art project, and potentially two bridges connecting Riverwalk to Griffith Park and/or North Atwater. The project is divided into three phases. The construction of Phase 1 was completed in December 2012. Phase 2 will complete two parks and the remainder of the trail along the Riverwalk, as well as a crossing over a flood control culvert to connect the two trail segments and complete the one mile stretch that is within the city boundary. (Parks Mitigation Fee Fund - 405)	\$ -	Minimal Impact - Increase on maintenance and personnel costs
Central Park Plaza	Planning and developing improvements at Central Park. (Parks Mitigation Fee Fund - 405)	\$ -	Minimal Impact - Increase on future maintenance, utility and personnel costs
Verdugo Park North Community Building	As part of a mini-masterplan to renovate Verdugo Park North, construct a new community building to include a multi-purpose room, kitchenette, restrooms, and electrical room. (Parks Mitigation Fee Fund - 405 & Recreation Fund - 501)	\$ -	Significant Impact - Increase on maintenance, utilities, and personnel costs

Project	Project Description	Adopted FY 2017-18	Operating Budget Impact
Fitness in the Park	Purchase and installation of outdoor fitness equipment at Glendale Heritage Garden and the Adult Recreation Center and indoor fitness equipment at the Pacific Community Center. (Parks Mitigation Fee Fund - 405)	\$ -	Minimal Impact - Increase on future maintenance costs
Wilson Mini-Park Restroom	Construct a new restroom building at Wilson Mini-Park.(Parks Mitigation Fee Fund - 405)	\$ -	Significant Impact - Increase on maintenance, utilities, and personnel costs
Wilson Middle School Multi-Use Field	As a joint use with GUSD, replace the turf field at Wilson Middle School with artificial turf to use as a multi-purpose field during non-school use hours. Project scope also includes fencing, lighting, and restrooms, parking, and re-grading the existing basketball courts. (Parks Mitigation Fee Fund - 405)	\$ -	Significant Impact - Increase on maintenance, utilities, and personnel costs
Verdugo Park All Inclusive Playground	As part of a mini-masterplan of Verdugo Park North, replace the existing playground with an all-inclusive playground which will allow children of all ages and abilities to use the play structures. (Parks Mitigation Fee Fund - 405)	\$ -	No Impact
Maple Park All Inclusive Playground	Replace the existing playground at Maple Park with an all-inclusive playground. An all-inclusive playground will allow children of all ages and abilities to use the play structures. (Parks Mitigation Fee Fund - 405)	\$ -	No Impact
Carr Park Outdoor Fitness Center	Purchase and installation of outdoor fitness equipment at Carr Park and other parks in central and southern Glendale. At Carr Park the new fitness equipment will be clustered on the concrete slab at the park, like an outdoor gym. (Parks Mitigation Fee Fund - 405)	\$ -	Minimal Impact - Increase on future maintenance costs
Cerritos Elementary Multi-Purpose	As a joint use with GUSD, replace the turf field at Cerritos Elementary School with artificial turf to use as a multi-purpose field during non-school use hours, reconfigure existing school playground and upgrade the existing park restroom building to increase capacity. Project scope also includes fencing and lighting. (Parks Mitigation Fee Fund - 405)	\$ -	Significant Impact - Increase on maintenance, utilities, and personnel costs
Fitness in the Park	Purchase and installation of outdoor fitness equipment at Glendale Heritage Garden and the Adult Recreation Center and indoor fitness equipment at the Pacific Community Center. (CIP Reimbursement Fund - 409)	\$ -	Minimal Impact - Increase on future maintenance costs
Citywide Playground Equipment	Replace existing playgrounds due to wear and tear to ensure the safety of the children using the playgrounds. Playgrounds planned for replacement this year include Nibley Park and Mayor's Bicentennial Park. (Recreation Fund - 501)	\$ -	No Impact
Civic Auditorium Exterior Painting	Demolition of the canopy at the north entrance, complete preparation and painting of the entire exterior of the auditorium building in three tones, upgrade of existing exterior light fixtures, addition of awnings at south entrance, and re-landscaping at south entrance embankment from parking lot. (Recreation Fund - 501)	\$ -	No Impact
Ballfield Renovation Program	There are currently a total of 16 ballfields located throughout the City. This program sets aside funds to renovate one field each year. (Recreation Fund - 501)	\$ -	No Impact
Upper Scholl Canyon Renovation	The project includes construction of a new concession building with restrooms, storage space and ADA accessibility upgrades. The parking lot will be re-surfaced and ADA access incorporated and the block wall will be repaired. (Recreation Fund - 501)	\$ -	Significant Impact - Increase on maintenance, utilities, and personnel costs
Sports Complex Concession Renovation	Renovation of the Sports Complex Concession building, including roof and trellis replacement. (Recreation Fund - 501)	\$ -	No Impact
HHW Ventilation System Replacement	The ventilation system for the Household Hazardous Waste program is on its last leg. It has reached its service life and can no longer be repaired due to age and lack of availability of parts. (Hazardous Disposal Fund 510)	\$ 35,000	No Impact
Glendale Water and Power Capitalized Interest	Projects to extend the useful life of the Grayson Power Plant & Capitalized Interest.	\$ 3,521,000	No Impact
	(Electric Depreciation Fund - 583 & Water Depreciation Fund - 593) Request for funding purchases of replacement for existing equipment. (Electric	\$ 2,392,000	No Impact
Capital Outlay	Depreciation Fund - 583 & Water Depreciation Fund - 593) To provide Engineering/Field support to Customer projects - varies in type. (Electric		<u>'</u>
Electric Customer Paid Projects	Customer Paid Fund - 585) Installation of customer paid new water hydrants, services and meters. (Water	\$ 1,819,781	No Impact
Water Customer Paid Projects	Customer Paid Fund - 595)	\$ 1,471,000	No Impact
Perkins Tenant Improvements	Tenant Improvements: 2nd floor GWP Commercial; 2nd floor Housing Counter; 3rd floor Finance. (Electric Depreciation Fund - 583 & Water Depreciation Fund - 593)	\$ 1,276,000	No Impact
Glendale Heights Tank Replacement	The recent corrosion and structural inspection indicates sever damage to the tank. Analysis indicates replacement is a more economical solution and will provide a superior tank with upgraded appurtenances. (Water Depreciation Fund - 593)	\$ 800,000	Minimal Impact - Possibly decrease maintenance cost
Perkins Water Feature Renovation	Decommission exterior water feature and create new drought resistant landscape feature. (Electric Depreciation Fund - 583 & Water Depreciation Fund - 593)	\$ 390,000	No Impact
Howard Substation	To repair, remodel and update the Howard Dispatch work area. (Electric Depreciation Fund - 583)	\$ 200,000	Minimal Impact - Possibly decrease utility costs
Potable Water Tank Rehabilitation	Ongoing potable water tank rehabilitation program. (Water Depreciation Fund - 593)	\$ 200,000	No Impact
AMI Modernization	Ongoing Water AMI equipment and software upgrades and replacements. (Water	\$ 165,000	No Impact
Glorietta Well Replacement	Depreciation Fund - 593) Installation of a new Glorietta 7 Well to compensate for the low pumping and poor condition of Glorietta Well 6. Anticipated payback 3 years. Initial funding for siting and design. Remaining funding for construction after the preliminary work is completed. (Water Depreciation Fund - 593)	\$ 150,000	Minimal impact - Increase on maintenance & utility costs
Valve Replacement	Valve replacements at various locations. (Water Depreciation Fund - 593)	\$ 100,000	No Impact

Project	Project Description	Adopted FY 2017-18	Operating Budget Impact
Pipeline Management Program	Replacement, install and rehabilitation of potable main. (Water Depreciation Fund -	\$ 100,000	No Impact
Western Pump Station Replacement	 593) Upgrade of electrical equipment at the Western Pump Station. This work includes site civil work due to the need for a retaining wall, triggering changes by the Division of Safety & Dams. (Water Depreciation Fund - 593) 	\$ 85,000	No Impact
Pumping Unit Efficiency Program	Pump and motor replacement program. Anticipate 1 unit in 17/18 program. (Water Depreciation Fund - 593)	\$ 65,000	Minimal Impact - Possibly decrease maintenance & utility costs
Superfund Glendale Treatment Plant	Costs associated with the various transactions necessary for implementation of the San Fernando basin superfund groundwater clean-up project. (Water Depreciation Fund - 593)	\$ 25,000	No Impact
Grayson Repower	Repower Grayson Power Plant with new units for a total capacity of 250MW. (Electric Depreciation Fund - 583)	\$ -	Significant Impact - Increase on maintenance and personnel costs
Repairs to Unit 8A & 8BC	Replacement of Unit 8ABC inlet filter housing structure due to severe corrosion issues. (Electric Depreciation Fund - 583)	\$ -	No Impact
Overhaul Reserve Gas Turbine	Overhaul reserve gas turbine for Unit 8A and 8BC. (Fund - 583)	\$ -	No Impact
Unit 4 Boiler Retube	Unit #4 Boiler Water Wall Tubes repairs-complete replacement of boiler walls and floor. (Electric Depreciation Fund - 583)	\$ -	No Impact

Motorola Project - Mount Thom	Motorola Project 25 Standalone Emergency Standby Radio System at Mount Thom Radio Site. (ISD Wireless Fund - 660)	\$ -	No Impact
UASI FY14	2014 Department of Homeland Security, Urban Area Security Initiative Grant awarded for the purposes procuring interoperable communications equipment to be employed by the City of Glendale within the regional Interagency Communications Interoperability System (I-C-1 System - formerly ICIS). (ISD Wireless Fund - 660)	\$ -	No Impact
Library, Arts & Culture	The second of th		
Central Library Renovation	The renovation project will improve the facility's functionality, address changes in how people approach and access the library, provide building improvements, fulfill ADA compliance, improve space utilization, and provide seismic retrofits. The renovations will enhance the structure's compatibility with Library functions to better accommodate collections and services and allow for new models of service that include a single service point, a room dedicated to Man's inhumanity to Man, and a Maker Space. (Library Mitigation Fee Fund - 407)	\$ 250,000	Significant Impact - Increase on maintenance, utilities, and personnel costs
Public Works			
LA-Glendale Water Reclamation Plant	Upgrading the LAGWRP Conveyance System to meet federal and state mandates. (Sewer Fund - 525)	\$ 5,500,000	No Impact
Hyperion Wastewater System	Upgrading the Hyperion Wastewater Treatment Plant and Conveyance System Facilities to meet federal and state mandates. (Sewer Fund - 525)	\$ 4,000,000	No Impact
Doran Street Traffic Signal Modifications/Installations & Roadway	Installation of new traffic signal and modification of existing traffic signals at Doran Street and Geneva Street, Maryland Street, Louise Street, and Jackson Street. (Measure R Regional Fund - 255)	\$ 1,200,000	Minimal Impact - Increase on maintenance and utility costs
Street Resurfacing Program	Annual program to rehabilitate streets with deteriorated pavement by overlaying it with rubberized asphalt concrete. (State Gas Tax Fund - 402)	\$ 975,000	Minimal Impact - Increase on maintenance costs
Street Tree Maintenance	Maintaining street trees at various Citywide locations. (State Gas Tax Fund - 402)	\$ 610,000	No Impact
Riverside Dr. & Western Ave. Rehabilitation	Rehabilitating pavement on Riverside Drive between Western Avenue and Westerly City Boundary (City of Burbank). (State Gas Tax Fund - 402)	\$ 600,000	Minimal Impact - Increase on maintenance costs
Glendale Sub-Regional Traffic Management Center	Building a new center with new technology features and traffic signal control system capable of sharing traffic data with the LA County Information Exchange Network (IEN) and LA Metro's Regional Integration of Intelligent Transportation Systems (RIITS). (CIP Reimbursement Fund - 409)	\$ 521,550	Minimal Impact - Increase on personnel and utility costs
Kenneth Road Rehabilitation	Rehabilitating pavement on Kenneth Road between Sonora Avenue and Westerly City Boundary (City of Burbank). (State Gas Tax Fund - 402)	\$ 500,000	Minimal Impact - Increase on maintenance costs
Pennsylvania Ave Traffic Signal Improvement	Implementation of traffic signal improvements at Pennsylvania Ave./I-210 on/off ramps. (Measure R Regional Fund - 255)	\$ 400,000	Minimal Impact - Increase on maintenance costs
Gutter Construction Program	Annual program for construction of new concrete gutters on existing streets, and replacement of damaged curbs, gutters, and sidewalks as part of the Annual Street Resurfacing Program. (State Gas Tax Fund - 402)	\$ 400,000	Minimal Impact - Increase on maintenance costs
Street Reconstruction Program	Annual program to reconstruct streets by removing the existing pavement and base material, regrading and reconstructing new base and pavement with rubberized asphalt concrete. (State Gas Tax Fund - 402)	\$ 400,000	Minimal Impact - Increase on maintenance costs
MSB Exterior Refurbishment	Restoring protective coating to the exterior of the Municipal Services Building. (Building Maintenance Fund - 607)	\$ 375,000	No Impact - May result in minimal savings in M&O
Automated Container and Refuse	Systematic replacement of 5,000 automated containers (ACs) and 100 metal refuse bins annually. The replacement schedule will be identified and rolled out per collection route. (Refuse Fund - 530)	\$ 350,000	No Impact - May result in minimal savings in M&O
Slurry Seal Maintenance Program	Applying slurry seal at various Citywide locations. (State Gas Tax Fund - 402)	\$ 300,000	Minimal Impact - Increase on maintenance costs
Parking Lot & Meter Improvements	Resurfacing, reconstruction, ADA compliance, and other improvements at 20 Cityowned parking lots, as well as periodic replacement of multi- and single-space parking meters as needed. (Parking Fund - 520)	\$ 300,000	Minimal Impact - Increase on maintenance costs
Parking Structure Improvement Project	Repairs to parking structures including repairs for water damage, ADA compliance, concrete issues, painting, signage, and more. (Parking Fund - 520)	\$ 300,000	Minimal Impact - Increase on maintenance costs
Roofing System Restoration	Restoring roofing systems at City Hall, Police, General Services Building, and former Police Building. (Building Maintenance Fund - 607)	\$ 250,000	No Impact - May result in minimal savings in M&O
In-Ground Vehicle Lift Replacement	Replacement of two in-ground equipment lifts at the Fire Garage with similar models, including mitigating soil contamination that may have resulted from the existing equipment leaking. (Fleet Management Fund - 601)	\$ 225,000	No Impact

Project	Project Description	Adopted FY 2017-18	Operating Budget Impact
Fuel Management Key Card Reader Kiosk	Upgrade existing fuel system chip key card reader kiosks to extend the life of the kiosks for a minimum of 5 years, including replacing older electronic components at 14 fuel island locations. (Fleet Management Fund - 601)	\$ 210,000	No Impact
Sidewalk Maintenance Program	Remove and replace deteriorated or uplifted sidewalks at various Citywide locations. (State Gas Tax Fund - 402)	\$ 200,000	Minimal Impact - Increase on maintenance costs
Downtown Parking Improvements	Improvements to landscaping, signs, lighting, and more near City parking spaces in the Downtown area. (Parking Fund - 520)	\$ 200,000	Minimal Impact - Increase on maintenance costs
Bicycle Facilities Phase 2	Installing bike lanes and sharrows at various locations. (Measure R Regional Fund - 255)	\$ 165,000	Minimal Impact - Increase on maintenance costs
Traffic Signal Installation and Modification	Installing and upgrading traffic signals at Central/Chevy Chase, Central/Windsor, Honolulu/La Crescenta, Chevy Chase/California and Pacific/Glenwood. (State Gas Tax Fund - 402)	\$ 150,000	Minimal Impact - Increase on maintenance and utility costs
Sewer Reconstruction Program	Reconstructing damaged sections of existing sewer mains, replacing manholes, etc. as part of annual program. (Sewer Fund - 525)	\$ 150,000	Minimal Impact - Increase on maintenance costs
Wastewater Capacity Improvement	Upsize existing substandard sewer main. The Project includes replacing the sewer pipe, modifying and/or replacing manholes, repairing sewer connections to private property, repairing and replacing traffic signal loop detectors and private water services. (Sewer Fund - 525)	\$ 150,000	Minimal Impact - Increase on maintenance costs
Corrugated Metal Pipe Replacement Project	Replacement and/or repair of deficient drainage facilities with reoccurring drainage issues. (Sewer Fund - 525)	\$ 100,000	Minimal Impact - Increase on maintenance costs
Bioswale Construction	Construction of bioswales at various locations in the City. (Sewer Fund - 525)	\$ 100,000	Minimal Impact - Increase on maintenance costs
Annual Cal-Recycle Grant	Grant funding related to beverage container recycling or litter reduction, along with recycling educational opportunities, including signage for the collection vehicles, online outreach, Recycling Center signage, and the creation and distribution of mandatory commercial recycling informational brochures. (Refuse Fund - 530)	\$ 50,000	No Impact
Sub-Regional Traffic Management Center	The construction of the new Sub-Regional Traffic Management center which include installation of video walls, air conditioning units, and workstations. (Building Maintenance Fund - 607)	\$ 50,000	Minimal Impact - Increase on personnel and utility costs
FS 28 Generator Replacement	Replacing the emergency power generator at Fire Station 28 in order to be in compliance with current regulations. (Building Maintenance Fund - 607)	\$ 50,000	No Impact
Los Feliz Entryway Improvement	Planting street trees on the southern sidewalk between Gardena Avenue and the Southern California Regional Rail Authority (SCRRA) Right of Way Line/City Boundary. (CIP Reimbursement Fund - 409)	\$ 45,000	Minimal Impact - Increase on maintenance costs
FS 27 Security Gate Installation	Installation of a security gate to secure premises at Fire Station 27. (Building Maintenance Fund - 607)	\$ 17,000	Minimal Impact - Increase on maintenance costs
Arroyo/Verdugo Commute Mgmt. System	Develop Website to serve as centrally located multi-modal trip planner, information outreach and Transit Subsidy Program. (Public Works Special Grants Fund - 252)	\$ -	No Impact
Grandview/Sonora RR Crossing	Grant funded project to install safety enhancements at Grandview and Sonora atgrade railroad crossings. (Public Works Special Grants Fund - 252)	\$ -	No Impact
Safe Route to School Phase 4 (Cycle 11)	Grant funded project for the design, construction, education, evaluation, and coordination of sidewalk and road improvements around various schools in Glendale. (Public Works Special Grants Fund - 252)	\$ -	Minimal Impact - Increase on maintenance costs
Riverwalk LA River Bridge PE	Preliminary engineering for the Riverwalk Bridge across the Los Angeles River. (Measure R Regional Fund - 255)	\$ -	No Impact
Riverwalk Outfall Bridge	Construction of a small bridge to connect Riverwalk Phase I and II over a storm drain outfall. (Measure R Regional Fund - 255)	\$ -	Minimal Impact - Increase on maintenance costs
Grandview/Sonora RR Crossing	Install safety enhancements at Grandview and Sonora at-grade railroad crossings. (Measure R Regional Fund - 255)	\$ -	Minimal Impact - Increase on maintenance costs
SR134 Glendale Ave Interchange	Interchange improvements and modifications at the SR-134 and Glendale Avenue Interchange and surrounding streets. (Measure R Regional Fund - 255)	\$ -	No Impact
I-5 N. Mitigation Signal Sync.	Mitigating construction impacts from I-5 North construction and synchronizing traffic signals. (Measure R Regional Fund - 255)	\$ -	No Impact
I-5 N Mitigation Project Management	Mitigating construction impacts from I-5 North construction and synchronizing traffic signals, as well as project management support. (Measure R Regional Fund - 255)	\$ -	No Impact
Construction of Bicycle Facilities	Installing bike lanes and sharrows at various locations. (Measure R Regional Fund - 255)	\$ -	Minimal Impact - Increase on maintenance costs
Install Quiet Zone Pedestrian Flasher	Installation of pedestrian back flashers for the Railroad Quiet Zone. (Measure R Regional Fund - 255)	\$ -	Minimal Impact - Increase on maintenance costs
Oceanview Blvd Rehabilitation	Rehabilitation of Oceanview Blvd. (Measure R Regional Fund - 255)	\$ -	Minimal Impact - Increase
Pennsylvania Rehabilitation	Rehabilitation project for Pennsylvania Ave. (State Gas Tax Fund - 402 & CIP	\$ -	on maintenance costs Minimal Impact - Increase
Glendale Narrows Riverwalk Phase 2	Reimbursement Fund - 409) Phase 2 of the Glendale Narrows Riverwalk Project and other related sidewalk	\$ -	on maintenance costs Minimal Impact - Increase
Doran St & Adjacent Streets Rehabilitation	improvements. (State Gas Tax Fund - 402) Rehabilitating Doran Street and adjacent streets and modifying traffic signals at Doran Street and Louise Street. (State Gas Tax Fund - 402)	\$ -	on maintenance costs Minimal Impact - Increase on maintenance costs
Oceanview Blvd Rehabilitation	Rehabilitating Oceanview Blvd between Verdugo Rd and City boundary (County of LA) and installing a new traffic signal at Oceanview Blvd. and Verdugo Rd. (State Gas Tax Fund - 402)	\$ -	Minimal Impact - Increase on maintenance costs
Verdugo Blvd Rehabilitation	Rehabilitating Verdugo Blvd between Verdugo Rd and City boundary (City of La Canada Flintridge) and installing a new traffic signal at the SR-2 Southbound on-ramp. (State Gas Tax Fund - 402)	\$ -	Minimal Impact - Increase on maintenance costs
Green Streets Demonstration Project	Demonstration project at Green Street. (State Gas Tax Fund - 402 & CIP Reimbursement Fund - 409)	\$ -	Minimal Impact - Increase on maintenance costs
Verdugo/Honolulu/Montrose Modification	Modifying intersection at Verdugo Rd./Honolulu Ave./Montrose Ave./Verdugo Blvd. in Montrose. (CIP Reimbursement Fund - 409)	\$ -	No Impact

City of Glendale Capital Improvement Program Impact of Capital Investments on Operating Budget

Project	Project Description	Adopted FY 2017-18	Operating Budget Impact
Safe Route to School Phase 3	Pedestrian improvements around schools at various locations as part of the Safe Route to School program. (CIP Reimbursement Fund - 409)	\$ -	Minimal Impact - Increase on maintenance costs
Hoover Toll Keppel & Chevy Chase (SRTS)	Pedestrian improvements around Hoover-Toll-Keppel Schools and Chevy Chase Drive as part of the Safe Routes to School program. (CIP Reimbursement Fund - 409)	\$ -	Minimal Impact - Increase on maintenance costs
Burbank-Glendale Traffic System Coordination	Synchronization of traffic signals between Burbank and Glendale along San Fernando Rd. and Glenoaks Blvd. (CIP Reimbursement Fund - 409)	\$ -	No Impact
Parking Lot Resurfacing	Resurfacing and refurbishment of City-owned parking lots. (Parking Fund - 520)	\$ -	No Impact
Exchange Parking Structure Improvements	Upgrading elevators and making various other improvements at the Exchange Parking Structure. (Parking Fund - 520)	\$ -	No Impact
Metro Advanced Wayfind & Guidance	Installation of Wayfinding and Guidance Signs for parking areas in order to improve safety, reduce traffic congestion, improve vehicle and pedestrian navigation, and expand visibility and use of parking. (Parking Fund - 520)	\$ -	No Impact
Stormwater Pollutant Treatment	Stormwater Pollutant Treatment Systems. (Sewer Fund - 525)	\$ -	Minimal Impact - Increase on maintenance costs
Emergency Sewer and SD Repair Program	Emergency repairs to sewers and storm drains as necessary. (Sewer Fund - 525)	\$ -	No Impact
San Fernando & Highland Storm Drain	Improvements in order to eliminate the surface runoff on San Fernando Road between Highland Avenue and the Verdugo Wash. (Sewer Fund - 525)	\$ -	No Impact
Chevy Chase Sewer Diversion	Constructing approximately 4,300 linear feet of gravity sewer pipeline starting at the City-owned sewer main on Colorado Boulevard, in the City of Los Angeles, and continuing to the Public Works Yard and West Chevy Chase Drive, in the City of Glendale. (Sewer Fund - 525)	\$ -	Minimal Impact - Increase on maintenance costs
Sludge and Debris Drying Facility	Construction of a sludge and debris drying facility to dry out matter removed from storm drain catch basins so that it can be disposed of at Scholl Canyon Landfill. (Sewer Fund - 525)	\$ -	Minimal Impact - Increase on maintenance, utility and personnel costs
PW Yard Recycled Water Main Ex	Extending recycled water main for the Public Works Yard. (Sewer Fund - 525)	\$ -	No Impact
Brand Storm Water Lift Station	Refurbishing or replacing main pumps at the Brand Stormwater lift station, including the proposed replacement of the existing vertical shaft driven units with new shaft-less submersible units. (Sewer Fund - 525)	\$ -	No Impact
Wastewater Shop Tennant Improvement	Reconfiguring Wastewater Shop, including extending office structure full E-W width of shop, dividing existing crew supervisor's office into two offices, removing one wall, constructing a new office for the Wastewater Environmental Tech, relocating four computer workstations to west wall of crew area adjacent existing data hub, and adding forced-air ventilation for all enclosed spaces. (Sewer Fund - 525)	\$ -	Minimal Impact - Increase on maintenance, utility and personnel costs
Scholl Canyon Landfill Expansion Environmental Study	Conducting an Environmental Impact Report (EIR) for the expansion of Scholl Canyon Landfill. (Refuse Fund - 530)	\$ -	No Impact
Beverage Container Recycling	Installing public use recycling containers in heavily trafficked areas and creating an outreach campaign for apartment dwellers to increase awareness and make recycling more convenient. (Refuse Fund - 530)	\$ -	No Impact

CITY OF GLENDALE ENTERPRISE FUNDS

The **Enterprise Funds** for the City of Glendale consist of the following funds: Sewer, Refuse, Electric Utility, Water Utility, and Fire Communication. Primary source of revenues for these funds are charges for services which reflect characteristics that are more properly accounted for as enterprise operations. Below is a brief description of the fourteen (14) *Enterprise Funds* included in this section.

- <u>Sewer Fund (525)</u> is used to account for the operations and maintenance of the sewer system. This service is primarily contracted with the City of Los Angeles.
- <u>Refuse Disposal Fund (530)</u> is used to account for the operations of the City-owned refuse collection and disposal service.
- <u>Electric Utility Funds (581-587) previously (550-557)</u> are used to account for the operations of the Cityowned electric utility services.
- <u>Water Utility Funds (591-593, 595) previously (570-573, 575)</u> are used to account for the operations of the City-owned water utility services.
- <u>Fire Communication Fund (701)</u> is used to account for monies received and expended, as the lead city, for the tri-city (Burbank, Glendale and Pasadena) Verdugo Fire Communication operations.

Total appropriation in the Enterprise Funds for FY 2017-18 is \$393.6 million, which reflects an increase of approximately \$7.7 million, or 2.0%, when compared to last year. The net increase is mainly the result of new Capital Outlay items appropriated in the Fire Communication Fund and contractual service and cost allocation costs appropriated in the Sewer and Refuse Funds. Additional details of the changes within the *Enterprise Funds* can be found in the *Resources & Appropriations* and *Combined Fund Statement* sections of this book.

The following pages provide a summary of the budget for each of the City's Enterprise Funds for the budget year ending June 30, 2018.

CITY OF GLENDALE INTERNAL SERVICE FUNDS

Internal Service Funds are proprietary funds serving only the City of Glendale. These funds are established to account for any activity that provides goods or services to other funds and departments within the City of Glendale on a cost-reimbursement basis. These funds are intended to be self-supporting. Since these funds derive their resources from expensing the Governmental and Enterprise budgets, they are already included within the City budget and are presented for informational and memorandum control purposes. Below is a brief description of the fifteen (15) *Internal Service Funds* included in this section.

- <u>Fleet/Equipment Management Fund (601)</u> is used to account for the maintenance, replacement, and acquisition of vehicles and equipment. The resources for this fund are derived from an annual fleet service charge which is assessed to governmental operations.
- <u>Joint Helicopter Operation Fund (602)</u> is used to account for the maintenance and replacement of the helicopters. The costs associated with this operation are jointly shared with the City of Burbank.
- <u>ISD Infrastructure Fund (603)</u> is used to account for the maintenance, replacement, and acquisition of all technology equipment supported by the Information Services Department.
- <u>ISD Applications Fund (604)</u> is used to account for the maintenance, replacement, and acquisition of all software and applications supported by the Information Services Department.
- <u>Building Maintenance Fund (607)</u> is used to account for any maintenance, repairs or services necessary to sustain on-going operations at approximately one hundred City-owned facilities (e.g. custodial services; repairs to generators, access control systems, conveyance systems, and HVAC systems, etc.). The Building Maintenance Fund was established in FY 2015-16, while the Building Maintenance rate was established in FY 2016-17 in order to centralize the building maintenance operation into a single fund and establish a rate for cost recovery.
- <u>Unemployment Insurance Fund (610)</u> is used to account for unemployment claims. Resources are derived from unemployment insurance charges to various City operations. Unemployment claims are reimbursed to the State Employment Department which disburses the unemployment claims.
- <u>Liability Insurance Fund (612)</u> is used to account for the activities associated with self insurance and litigation. Specifically this fund is used to pay for excess insurance coverage, claims, and litigation expenses. Settlements and reimbursements from our insurance providers are also recorded in this fund. The fund also derives its revenue via a liability rate, which is a pooled insurance rate that is distributed to all City departments. Effective July 1, 2015, the Safety section previously reflected in the Compensation Insurance Fund (614) shifted to the Liability Insurance Fund.
- <u>Compensation Insurance Fund (614)</u> is used to account for the City's workers' compensation claims.
 Funding is derived from charges to all City departments that will provide adequate resources to meet
 current obligations. Effective July 1, 2015, the Safety section shifted to the Liability Insurance Fund
 (612).
- <u>Dental Insurance Fund (615)</u> is used to account for the City's dental insurance program for its employees. Funding is derived from charges in lieu of actual premiums to various City operations to provide the self-insurance resources.

CITY OF GLENDALE INTERNAL SERVICE FUNDS

- <u>Medical Insurance Fund (616)</u> is used to account for the City's medical insurance program for its employees. Funding is derived from charges in lieu of actual premiums to various City operations to provide the self-insurance resources.
- <u>Vision Insurance Fund (617)</u> is used to account for the City's vision insurance program for its
 employees. Funding is derived from charges in lieu of actual premiums to various City operations to
 provide the self-insurance resources.
- <u>Employee Benefits Fund (640)</u> is used to account for the resources and the liability for employees' compensated absences (vacation and compensatory time).
- <u>Retiree Health Savings Plan (RHSP) Benefits Fund (641)</u> is used to account for the resources and the liability for employees' sick leave conversion under the Retirement Health Savings Plan.
- <u>Post Employment Benefits Fund (642)</u> is used to account for the resources and the liability associated with other post employment benefits.
- ISD Wireless Fund (660) is used to account for the operation of the citywide radio system, including maintenance, replacement and acquisition of equipment.

Total appropriation in the Internal Service Funds for FY 2017-18 is \$111.3 million, which reflects an increase of approximately \$1.5 million, or 1.4%, when compared to last year. The net increase is the result of appropriation increases and decreases for each fund within this major fund type. Additional details of the changes within the *Internal Service Funds* can be found in the *Resources & Appropriations* and *Combined Fund Statement* sections of this book.

The table above illustrates the estimated fund balances as of July 1, 2017 (un-audited), the adopted resources and appropriations for FY 2017-18, and the projected ending fund balances at June 30, 2018. Fund balance is a good indicator of a fund's financial health and represents the accumulated annual operating surpluses and/or deficits since the fund's inception. Some of the year over year changes in the various fund balances is discussed below.

General Fund – The fund balance is projected to decrease by 1.84% or \$1.5 million for FY 2017-18. A portion of this use of fund balance is \$905 thousand in assigned Economic Development fund balance, a result of the Economic Development function returning to the General Fund as of July 1, 2016. The FY 2017-18 Adopted Budget reflects a minor budget gap of \$629 thousand, which is less than the FY 2016-17 Adopted Budget gap of \$1.0 million. Even though we have adopted the FY 2017-18 with a projected budget gap, there are surpluses forecasted for future budget years beginning FY 2018-19. This demonstrates that Glendale is stable, progressive, structurally balanced and our fiscal discipline continues to yield benefits.

Capital Improvement Fund (401) – This is the General Fund portion of the City's Capital Improvement Program (CIP) and is primarily funded via the "tipping fee" from the Scholl Canyon Landfill. Also, a small portion of sales tax funding was restored to the CIP; however it is nowhere near the amount of sales tax that was deposited to the fund several years ago. As part of the annual budget process, management once again reviewed all open projects and prioritized them based on their importance to the community.

Some of the major projects that received appropriation for FY 2017-18 include the Lower Scholl Renovation, Jail Security System Video & Touchscreen Upgrade, Fire Stations 26, 28, and 29 Reconstruction, Citywide Playground Equipment, Fremont Park Renovation, Illuminated Street Name Sign Replacement (LED), Street Improvements, and a transfer to Fund 403 for the landfill post-closure liability. Given the relatively small amount of resources deposited into this fund, a partial use of fund balance is required to fund these projects which will decrease the fund balance by approximately 23.29% or \$2.9 million, which is more than compared to the Adopted FY 2016-17 use of fund balance of \$118 thousand. Based on our forecast, we believe there are sufficient resources on hand to fund these projects despite the drop in fund balance. Given the financial constraints in this fund for the foreseeable future, we will continue to closely monitor and scrutinize all projects and prioritize them accordingly. Projects will only be approved to the extent that resources become available.

CITY OF GLENDALE SUMMARY OF CHANGES IN FUND BALANCE

Sewer Fund (525) – The fund balance is projected to decrease by 8.24% or \$17.0 million. The decrease is attributable to capital improvements projects, most notably the Los Angeles/Glendale Water Reclamation Plant, the Hyperion Wastewater System, the Sewer Reconstruction Program, and the Wastewater Capacity Improvement project. There is sufficient fund balance for these projects.

Debt Service Fund (303) – The fund balance is projected to decrease by 6.84% or \$1.2 million to account for the annual repayment on the debt related to the construction of the police building in the Police Building Project Fund 303.

Capital Projects Funds (Funds 402 – 410) – The aggregate fund balance for all of these funds is projected to increase by 4.58% or \$4.2 million. The aggregate fund balance increase is attributable to the Parks Mitigation Fee Fund (405) not having new appropriation for FY 2017-18. The Parks Mitigation Fee Fund is funded through development fees and although there are no new appropriations adopted, there are revenues forecasted for this fund so it is anticipated that projects will be brought to Council during the fiscal year to be appropriated accordingly. In regards to the Landfill Post Closure Fund, the City annually transfers monies to this fund in order to ensure adequate resources are available upon closure of the landfill. At this time, no appropriation is made in this fund.

Non-major Enterprise Funds (Funds 530 & 701) – The aggregate fund balance for all Non-Major Enterprise Funds is projected to decrease by 24.39% or \$9.1 million. The decrease is mainly attributable to capital equipment purchases and a transfer in the Refuse Disposal Fund (530). There is sufficient fund balance for these capital purchases and the transfer.

Notes:

^{*} Effective FY 2016-17, fund (215) collapsed into the General Fund.

^{**} Effective FY 2016-17, Building Maintenance moved out of the General fund and into fund (607).

^{***} Effective FY 2017-18, new department Innovation, Performance & Audit (IPA) was established.

^{****} Effective FY 2017-18, fund (511) shifted into the General Fund under (101-405).

^{*****} Effective FY 2017-18, Electric Utility and Water Utility Funds (582) and (592) replaced funds (551, 552 & 572).

CITY OF GLENDALE PERSONNEL CHANGES

The authorized salaried, full-time position count for FY 2017-18 is 1,587. The adopted FY 2016-17 authorized, full-time position count was 1,579. During FY 2016-17, Council authorized the addition of five (5) salaried positions. Thus at the end of the fiscal year, the revised authorized position count was increased to 1,584. Effective July 1, 2017, a net of three (3) salaried positions are being added to the budget, making the authorized position count to 1,587 salaried full time positions for FY 2017-18.
