CASE PLANNER: Milca Toledo, Senior Planner

PROJECT DESCRIPTION: The proposed GUSD Apartments ("Development Project") involves the demolition of the existing GUSD Headquarters office and associated buildings, two modular buildings, a multi-family residential building and respective parking lots. The new development involves constructing a five-story (with mezzanine), 286-unit residential development wrapped around a multi-level parking structure with 394 parking spaces located on a 113,289 square-foot lot (2.60 acres).

General Plan Map, Zone Change Map Amendment, Downtown Specific Plan Map Amendment, and Development Agreement: The proposed Development Project site would require a Zone Change, General Plan and DSP (map) Amendments for the 14 lots fronting Wilson Avenue, Jackson and Kenwood Streets. All lots are currently zoned R-1250 with a General Plan designation of High Density Residential. The project applicant is proposing to change the zoning to DSP/East Broadway District and to change the General Plan designation to DSP. The proposed Development Agreement is to utilize the public open space incentive for additional height/stories and floor area ratio.

Additionally, the Planning Division staff is requesting the Planning Commission recommend the City Council initiate a General Plan Amendment, a Zoning Map and Downtown Specific Plan Map amendments to amend the General Plan Designation and Zoning of a lot (APN 5642-017-005) located immediately north of and adjacent to the Project Site. The lot is located at the southwest corner of E. California Avenue and Jackson Street (247 N. Jackson Street). The lot is currently zoned R-1250 with a General Plan designation of High Density Residential. This lot contains an existing multi-unit residential apartment building, a use that is consistent with the recommended

General Plan and Zone Change to DSP/East Broadway District and to change General Plan designation to DSP.

Alley Vacation: The applicant is requesting to vacate the easterly portion of Alley 220, northerly of Wilson Avenue, and easterly of Jackson Street at 223-241 N. Jackson Street.

Other Entitlements: Following recommendations from the Planning Commission on the approval of the requested General Plan, Zoning Map and Downtown Specific Plan map amendments, the Development Project applicant will be seeking City Council approval of design review, standards variances for on-and above-ground parking and number of stories and approval of a development agreement.
