On May 19, step out and soak in the Sun's rays because it is May Ray Day. While the origins of the day are unknown, the day encourages people to enjoy some time under the Sun.

Studies have shown that time in the Sun can be good for one's physical and mental health. So, wear a hat and your sunglasses and enjoy some May Sun.

We have provided you with the perfect way to get some sun as you join us for our monthly Workday. Tasks include removal of invasive plants, watering, weeding, and park maintenance.

There are tasks for all ages and abilities. This is a great event for families, individuals, groups, clubs, and students needing Community Service hours.
