RESOLUTION NO. 22,818

A RESOLUTION OF THE CITY COUNCIL OF  
THE CITY OF GLENDALE, CALIFORNIA,  
AMENDING THE OPEN SPACE AND  
CONSERVATION ELEMENT  
OF THE GENERAL PLAN  
(GENERAL PLAN AMENDMENT NO. 93-2)

WHEREAS, The Council has conducted noticed public hearings pursuant to the provisions of Sections 3-107 of the Glendale Municipal Code and Chapter 3, Title 7 of the Government Code of the State of California; and

WHEREAS, the Council has ordered the study of its policies concerning the City's open space and natural resources; and

WHEREAS, the State of California Government Code requires every General Plan to have an Open Space and Conservation Element which inventories public and private open space land, biotic, mineral and aesthetic resources, and includes policies and goals which serve to identify, protect, and maintain these natural resources and to prevent their wasteful exploitation and ultimate destruction; and

WHEREAS, the Council has received and accepted the proposed General Plan Amendment 93-2: Open Space and Conservation Element 1993, prepared by the Planning Division; and

WHEREAS, the Planning Commission of the City of Glendale held noticed public hearings on the Open Space and Conservation Element 1993, on January 26, 1993, February 2, 1993, February 16, 1993, and February 23, 1993, and has recommended adoption thereof to the City Council; and

WHEREAS, the Council has found that General Plan Amendment No. 93-2 promotes and protects the public health, safety, comfort, convenience, and general welfare of the citizens of Glendale;

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY GLENDALE, that General Plan Amendment No. 93-2, being a revised and updated Open Space and Conservation Element of the General Plan, is hereby approved and adopted to meet State General Plan requirements, to assess the City's open space and natural resources, to update the policies to protect and maintain the City's open space and natural resources, and to supercede the City's previous Open Space and Conservation Element of the General Plan.

This resolution shall become effective 30 days after the date of adoption.

Adopted this 16th day of March, 1993.

  
Mayor
