- a. Other concerns or individuals may be qualified to test and certify subject to approval of the fire code official.
- b. The testing frequencies listed herein are intended as a convenient summary based on the applicable standards. The applicable standards shall always govern if there is any conflict. It is important to note that many standards mandate inspections by the owner or other qualified personnel on more frequent bases than shown herein. It is not the intent to supersede, modify, or reduce the requirements found in the applicable standards.
- c. Reports of tests and certifications need not be submitted to the Glendale Fire Department more frequently than annually, unless specifically requested by the fire code official.

2. State Licensed Fire Protection Contractor (C-16)
3. State Licensed Electrical Contractor (C-10)
