Our June Campfire Program will highlight the deer that live in our region. Spotting a deer while visiting a park or wilderness area is a memorable moment.

We will discuss where the deer live, what they eat, their adaptations for survival, and the every day dangers they face.

Our evening begins with songs, stories, and skits. We finish with a 25 minute presentation followed by smiles and s'mores.

Come at 6:30 p.m. for the crafts or arrive at 7:00 p.m. for the start of the Campfire Program. Please bring your blankets and dress warmly.
