**Friday, December 20, 2019 @ 6:00 p.m.**

This youth employment workshop will focus on resume building and job skills. Glendale Youth Alliance programs are designed to build civic values in youth, provide a foundation to learn job skills and to become productive participants of the workforce. A job can change the life of an adult professional and more so, the life of a young man or a woman seeking to find their place in the world to become self-sustaining.
