Saturday, March 28, 2020

9:00 A.M. - Noon

Brand Library Courtyard

1601 West Mountain Street, Glendale, CA 91201

Nature journals are an important tool for scientists and artists in their quests to document and understand the world around them.

In this class, you'll make your own travel style journal with three removable booklets. All materials for making the journals are provided, but feel free to bring your own special papers to personalize your journal.

To finish the day, we'll take a short walk around the picturesque park to use your new journals. Please bring pencils or pens to sketch with.
