VIRTUAL TEEN NIGHT OUT PRESENTS:
**RECYCLING DURING
THE PANDEMIC**

PRESENTED BY:
GERALD MENDOZA

Glendale Public Works/ Integrated Waste Section

FRIDAY, JUNE 12, 2020 * 6:00 P.M. - 7:00 P.M.

This workshop will focus on teens learning the importance of recycling waste. Everyone should play a part in helping protect this beautiful planet, including teenagers. In addition to teaching teens to recycle, we will encourage our teens to “go green” by getting creative and finding new purpose for used household items during the pandemic.
