**STATUTORY DEVELOPMENT AGREEMENT CASE NO. PDA 2014726**

**LOCATION:** 120 WEST COLORADO STREET  
**APPLICANT:** Vista Investments, LLC.  
**ZONE:** DSP/TD – Downtown Specific Plan Zone, Transitional District  
**LEGAL DESCRIPTION:** Lot 21 Lomita Park Tract; Lot 32 Tract No. 2382

**PROJECT DESCRIPTION**

**On May 22, 2018, the City Council approved PDR 1721930 for a six-story hotel with 130 guest rooms with one level of subterranean parking (“Project”). In addition, the City Council approved PVAR 1721927 to allow 38% of the required parking spaces to be in a tandem and/or vertically stacked arrangement (exceeding the Code maximum of 25%). Both approvals were set to expire on May 22, 2020, two years from the approval date. Per GMC Section 30.41.015 a one-year time extension was granted extending the approvals to May 22, 2021.**

**DEVELOPMENT AGREEMENT**

A Development Agreement (“DA”) is proposed between the City of Glendale and Vista Investments, LLC (the owner) for the Project, pursuant to Government Code Section 65864 through 65869.5. The DA provides a three (3) year entitlement period, locks-in development impact fees at the time of plan check submission, provides for a certain number of temporary housing vouchers at the current existing hotel, and outlines the FAR and height bonuses under the Downtown Specific Plan’s Community Benefit Incentive Program,. The Planning Commission on April 7, 2021, reviewed the DA and made a finding of consistency with the General Plan and DSP and recommended approval with comments related to the duration and fees. The DA was originally considered by the City Council on April 20th, and the Council directed the negotiation of revised terms regarding the duration, fees, and identifying options to provide housing opportunities for housing insecure individuals.

**ENVIRONMENTAL DETERMINATION:** The project is exempt from CEQA review as a Class 32 “In-Fill Development Projects” exemption pursuant to Section 15332 of the State CEQA Guidelines, because the project meets all the conditions for an in-fill development project.
