# “BIG FELINES OF THE FOOTHILLS”

## FRIDAY NIGHT LECTURE

**Friday, November 19, 2021**

**6:30 PM - 8:30 PM**

**Deukmejian Wilderness Park**

3429 Markridge Rd, Glendale, CA 91214

Johanna Turner has been tracking pumas in the Verdugo, San Gabriel, and Santa Monica mountains for over ten years. This lecture will feature beautiful wildlife photography of our local felines. Get to know the secretive big cats who share your foothills (some are famous enough to have nicknames!). Find out how motion-sensing ‘camera traps’ work. Learn how to identify a puma track and other signs you might see on your hike. There will be a small selection of framed prints and greeting cards available for purchase.

**Seating is limited. Please RSVP at [Glendaleca.gov/FELINES](http://Glendaleca.gov/FELINES)**
