Memory Loss

What's Normal, What's Not, and How to Know the Difference.

Thursday, March 10, 2022

10:00 A.M. - 11:00 A.M.

Hosted by: Community Services & Parks

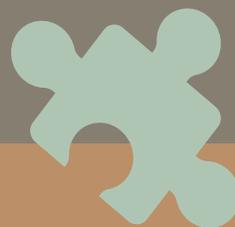

Presented by: USC Verdugo Hills Hospital

If you, or someone you know, is affected by memory loss, it's time to learn the facts and what causes memory loss. This presentation will provide information on prevention, what is considered normal memory loss, and what type is reversible.

Email CSPCARES@GLENDALECA.GOV with your first name, last name, and your telephone number. We will email you a link for you to join the virtual presentation.

For more information, please call (818) 548-3775.
