

Adopted Budget FY 2022 - 2023

HUMAN RESOURCES

CITY OF GLENDALE

HUMAN RESOURCES

MISSION STATEMENT

To maximize the effectiveness, productivity and performance of the City of Glendale's human resources through the development of a workplace environment that is responsive to the needs of the organization and its employees.

DEPARTMENT DESCRIPTION

The Human Resources Department is responsible for all employment services for the organization including recruitment and testing, employee relations, employee benefits, training and development, workers' compensation, and employee health services. The Department also serves as staff to the Glendale Civil Service Commission which is responsible for ensuring the principles of merit are maintained in the hiring, staffing, and retention of City employees.

The Human Resources Department is organized into four (4) divisions:

- Human Resource Administration
- Benefits Administration
- Employee Health Services
- Workers' Compensation

The ***Human Resources Administration Division*** administers the Civil Service system involving employee recruitment, selection, placement, and classification of employees. The Division develops and enforces personnel policies and procedures based on Federal, State and local legislation relating to employment matters. In addition, it manages the City's employee relations program including the negotiation and administration of labor contracts and resolution of employment issues; it also provides advice/counsel to managers and employees on workplace issues, in addition to career coaching and counseling. Employee Training and Development is also included in the Division which provides training and development opportunities to employees through the Glendale University Training and Development Program, Glendale Supervisory Academy, Glendale Leadership Academy, and ongoing training needs assessments.

The ***Benefits Administration Division*** oversees the provision and administration of benefits programs to employees. Services include the full range of health benefit programs including medical, dental, vision, long-term disability, and life insurance programs for eligible employees, dependents and retirees. The Division works with the City's insurance broker and Health Benefits Committee to aggressively negotiate the health benefits renewals with the major insurance carriers in an effort to maintain quality benefits programs at a reasonable cost.

The ***Employee Health Services Division*** coordinates a full range of regulatory compliance examinations and applicant and employee physicals to ensure that employees are safe, healthy and fit to perform the essential functions of the job. The Division also ensures compliance with Federal and State laws including the FMLA and ADA interactive process. It also provides a wellness program for employees, including monthly "Brown Bag" training programs. Additionally, the Division coordinates the voluntary and mandatory components of the Employee Assistance Program and coordinates the various leaves allotted to employees as a result of the COVID-19 pandemic.

The ***Workers' Compensation Division*** provides professional, competent and timely claims service to injured employees to reduce the number of work days lost due to injuries. The Division's goal is to ensure injured employees receive proper medical care to attain all of the benefits they are legally entitled to receive.

CITY OF GLENDALE

HUMAN RESOURCES

RELATIONSHIP TO CITY COUNCIL PRIORITIES

As an internal service department, Human Resources works to support the external service departments within the organization as they implement the Council's four priorities: environmental stewardship, housing, mobility/connectivity/safety, and infrastructure.

Highlights of the department's work this year include:

Labor Negotiations

Human Resources staff will negotiate with the Glendale Police Officers' Association and Glendale Management Association on behalf of Fire Sworn Managers and Police Sworn Managers for contracts expiring June 30, 2022. The memoranda of understanding will outline terms and conditions of employment and will provide predictability of salary and benefit costs.

Recruitment

Human Resources staff will continue to work collaboratively with departments to meet the hiring needs of the organization, and to attract diverse and talented applicants. Recruitment documents will be digitized to reduce costs and to streamline processes for raters. Staff will work on filling several executive level recruitments such as Fire Chief, Director of Community Development, and Police Chief.

Digitization of Employee Personnel Files

Human Resources will digitize employee personnel files to reduce printing, filing, copying and the cost of ordering costly folders. Having electronic accessibility of files will create significant efficiencies for employees and supervisors, will provide greater security of data, and redundancy in case of a disaster. A third-party software will be purchased to house the electronic personnel files.

Employee Training Program

Human Resources will purchase a learning management system to transition from in-person to online/on-demand mode of offering training classes. The new method of offering training will allow for expanded training opportunities which will develop employee skills and build leaders in-house. Implicit bias training will continue to be offered to address the diversity, equity, and inclusion initiative. This training is intended to help reduce the likelihood of bias, break stereotypes and create empathy.

Workforce Demographics Report

Human Resources staff will prepare the Workforce Demographics Report which charts the organization's diversity and process over time. The report identifies workforce trends throughout the reported years and represents the organization's efforts to welcome diversity over time.
