Subject: Notice of CPI Adjustment of Montrose Business Improvement District
Special Business Assessments

To Whom It May Concern:

As you are aware, businesses in the Montrose Shopping Park Area (B.I.D.) are subject to an annual assessment. Since 2004, with the adoption of Ordinance #5431 (amending Ordinance #4790), the City of Glendale has adjusted the minimum and maximum assessment rates annually through the application of the Consumer Price Index (CPI). Section 7 of Ordinance #5431 states that the minimum and maximum assessment rates "will be adjusted each subsequent calendar year using the most current Consumer Price Index ("CPI") for sales of retail goods and services for all Urban Consumers in Los Angeles-Riverside-Orange County".

Based on the Consumer Price Index data issued by the U.S. Department of Labor, the Consumer Price Index adjustment for year 2022 is a 7.48% increase. Accordingly, the minimum and maximum assessment rates have been changed as follows:

	2021	2022	Increase
Minimum Assessment for:			
Retail and service businesses	\$228.00	\$245.00	\$17.00
