

GLENDALE CARBON CONVERSATIONS

Free environmentally focused community lectures and workshops from leading experts and local changemakers.

A Guide to Climate Revolution

Thursday, April 20, 2023

from 6:00 PM to 8:00 PM - Doors open at 5:30 PM

Glendale Central Library, 222 E Harvard St, Glendale, CA 91205

How do we talk about the climate crisis with youth? What changes can we make at home and in our City? Join us for a presentation by **Mary DeMocker**, author of **The Parents' Guide to Climate Revolution: 100 Ways to Build a Fossil-Free Future, Raise Empowered Kids, and Still Get a Good Night's Sleep**, and a panel of youth activists on addressing the climate crisis together.

Shaping the Energy Future of Glendale

Thursday, April 27, 2023

from 6:00 PM to 8:00 PM - Doors open at 5:30 PM

Glendale Central Library, 222 E Harvard St, Glendale, CA 91205

What could Glendale's green energy future look like? Join us for an evening presentation on how to revolutionize and build resilience in our energy and power systems in Glendale by **Ted Flanigan**, energy expert, founder of EcoMotion, and host of **Flanigan's Eco-Logic Podcast**, followed by a panel of energy experts and community leaders.
