The Director of Community Development will render a final decision on or after **June 29, 2023**, for the following project:

The proposed addition includes expansion of the existing lower level (partial underground basement) by 518 square feet and adding 440 square-feet to the existing upper level. The total floor area of the house with the addition combined will be 3,499.

Project Address: **1550 Royal Blvd.**

Case Planner: **Chloe Cuffel**

ENVIRONMENTAL DETERMINATION:

The project is exempt from CEQA review as a Class 1 "Existing Facilities" exemption pursuant to Section 15301 of the State CEQA Guidelines because the proposed addition to the existing structure will not result in an increase of more than 50% of the floor area of the structure before the addition.
