## Are you ready to protect the environment by reducing waste?

The City of Glendale is proposing to adopt  
the Polystyrene Waste reduction regulation.

### What Will Be Banned?

- Polystyrene Foodware, Polystyrene products may be unidentified or be identified by a No. 6 with three chasing arrows that form a triangle
- Polystyrene Egg Cartons
- Polystyrene Coolers
- Polystyrene Packing Peanuts
- Polystyrene Meat and Fish Trays

For more information, contact the City of Glendale, Office of Sustainability at  
[www.Glendaleca.gov/sustainability](http://www.Glendaleca.gov/sustainability) or call (818) 548-3351.

consider the environment  
BE POLYSTYRENE  
**AWARE**

### Who Will Be Affected?

- **All businesses and organizations that use, sell, or distribute polystyrene foodware, polystyrene coolers, polystyrene packaging materials, polystyrene egg cartons and polystyrene meat and fish trays.**
- **All special events hosted within Glendale's borders that are open to the public. These include private and city-sponsored events.**
- **All food service providers and retailers, including:**
  - » Restaurants
  - » Grocery store deli's
  - » Hotels/motels with restaurants
  - » Farmer's markets
  - » Packaging/shipping stores

### When Will the Ban Commence?

**The ban is expected to go into effect in late 2023.**
