| | Description: HHS/MCI requests Emergency Access to their existing buried 3'x5' pull box located in the left turn pocket of S/B San Fernando Rd 40' N/O Milford St due to service issues (Bad splice causing errors). We would like to complete this work on the evening of Thursday November 10th/Friday November 11th (8PM-5 AM). Since this is service affecting, repairs will need to be made in the Maintenance Window. (Phase 1 – NIGHT WORK) SOW to include exposing buried handhole for Verizon technicians to access manhole and make required repairs as well as determine the structural integrity of existing pull box. HHS will install steel plates once complete. (Phase 2- Day Work) – Depending on the structural integrity of the existing pull box HHS will either retrofit the handhole with a round lid manhole cover or replace it entirely **any expediting will be greatly appreciate as this is an emergency job** | | | | | | |
