Specialized Equipment Acquisition

In accordance with Government Code § 7071:

On December 5, 2023, The Police Department will request authorization to amend its current contract with Axon Enterprises, Inc. and enter into a new 5-year contract. As part of that new agreement, the Police Department will seek to add eight aerial drones to our existing fleet of five aerial drones. The Police Department has utilized this equipment numerous times as outlined in the 2022 Specialized Equipment Report.
