

SOLAR AND STORAGE IN GLENDALE: A COMMUNITY DISCUSSION

WE WANT TO
HEAR FROM YOU!

GLENDALE WATER AND POWER IS CREATING AND
IMPLEMENTING A SOLAR AND ENERGY STORAGE PLAN.

HOW CAN I GET INVOLVED?

As part of our solar and energy storage plan, we are engaging in comprehensive community outreach, to hear directly from residents as to what you would like to see implemented as part of this plan. To hear directly from the community, we will be hosting a total of five community meetings, with the goal of collecting feedback, analyzing how it can improve the plan, and implementing changes where needed.
