## Summer 2024

Community Services & Parks is offering summer fun for everyone! Special programs and activities for children of all ages include recreational swim and instructional swim lessons, the wading pool program, youth and teen day camps, specialty camps (such as skate camps), sports camps, and Life Long Learning classes. Adult programs include art and special interest classes, exercise and wellness classes, and tennis classes for all skill levels. Participate in our Trails & Open Space Program events and enjoy the great outdoors.

Senior adults, 60 years of age and older, are encouraged to participate in classes, special senior events, and daily recreation programs at one of our friendly, air-conditioned facilities.

Spice up your parties or special events with one of our Mobile Recreation Packages. Perfect for children ages 5-12, Party on the Go! brings arts & crafts, sports, and games to your party. Enjoy a movie under the moonlight on an inflatable screen with high power video projection and surround sound with our Flicks on the Go! package. Raise the fun and excitement with Glendale Rocks! portable climbing wall. Wading pools are also available for private rentals during non-operational times. We want to help make your event an unforgettable one!

Grab a picnic basket and join us on Wednesday nights at Verdugo Park from July 10-August 14 and on Thursday nights at City Hall's Perkins Plaza from August 1-August 15 to enjoy live music with family and friends. Also, be sure to join us for Cruise Night, one of Southern California's most celebrated car events, which will be held on July 20 on Brand Boulevard. Approximately 300-400 classic cars, live entertainment, and community displays will highlight the event. Stay until the end, and enjoy a fireworks show near the main stage area.

- Nestled at the foot of the Verdugo Mountains beside a koi pond in a charming Japanese-style garden setting, the Teahouse is in a unique position to outreach to the Community of Glendale and greater Los Angeles.

### HISTORY

- The Teahouse represents the spirit of goodwill, lasting peace and friendship between the people of Japan and the United States.

### HISTORY

- Casa Adobe de San Rafael is registered as California Landmark #235 and Glendale Register of Historic Resources #3.
- The Casa was built around 1870 by Tomas Sanchez, former sheriff of Los Angeles County, using adobe blocks to form the walls, which were then covered with stucco.
- In 1875, the property was sold, left abandoned, and fell into a ruinous state.
- In 1930 the Casa was purchased by the California Medicinal Wine Company who planned to tear down the structure and remove the large eucalyptus trees on the property. Local neighbors and community members stopped the demolition and began a campaign to preserve the house as a historic landmark.
- The City of Glendale purchased the adobe in 1930 and by 1932 La Casa de Adobe de San Rafael was completely refurbished.
- Today, the adobe includes a Monterey-style corridor (covered porch), beautiful sunken garden, brick patio, sandy brown tile roof, and long narrow front windows adorned with teal shutters. Interior furnishings are from the 19th century.

## Catalina Verdugo Adobe

2211 Bonita Drive, Glendale, CA 91208  
 (818) 244-2841

### HOURS OF OPERATION

Daily 8:00 AM- Dusk

### HISTORY

- The Catalina Verdugo Adobe is registered as California Historical Landmark #637 and Glendale Register of Historic Resources #1.
- The Adobe is the oldest structure in the City of Glendale. As with many early structures, the construction date of the Verdugo Adobe is uncertain. It is said the Adobe was built in 1828, but some research suggests that it dates to 1860.
- It was the home of Catalina Verdugo who, with her brother Julio, owned much of today's Northeast Glendale. Their father, Don Jose Maria Verdugo, was the original recipient of Rancho San Rafael, the Spanish land grant that encompassed large portions of Glendale, Burbank, and Eagle Rock.
- The grounds contain the remnants of the "Oak of Peace," under which a meeting was held in 1847 that led, a few days later, to the signing of the peace treaty, Treaty of Cahuenga, that ended the Mexican-American War.
- The Adobe originally consisted of the main room and the south wing. The north wing was added in the early 1900s, after it was sold to land developer F.P. Newport.
- In 1946, the property was sold to Dr. Ernest Bashor, and his family remained there until it was sold to the City of Glendale in 1989. It is fortunate that the historic value of the original house remained preserved.

### More Information

Info@BrandLibrary.org; (818) 548-2051

[BrandLibrary.org](http://BrandLibrary.org)

The Brand Library is housed in the mansion Leslie Brand built in 1904 named El Miradero. A gallery and recital hall was added in 1969. Located in Brand Park, high in the foothills overlooking Glendale and the San Fernando Valley, the Library serves an ever-widening public interested in the arts.

The design of El Miradero is similar to the East Indian Pavilion built for the 1893 Columbian World Exposition held in Chicago and visited by Brand. The architecture is considered Saracenic, with crenellated arches, bulbous domes and minars combining characteristics of Spanish, Moorish, and Indian styles.

Brand died in the house in 1925. He bequeathed El Miradero to the city and Mrs. Brand lived in the house until her death in 1945. The will provided that the property be used exclusively for a public park and library. By 1956, the mansion had been converted into Brand Library.

Years later, in response to the need for more arts space, the City Council allocated funds to construct an addition to Brand Library that would include facilities for art exhibitions, lectures and concerts, as well as art and craft studios. The new addition was dedicated in October 1969.

### Statue of Miss American Green Cross

#### Brand Park

1601 W. Mountain St., Glendale, CA 91201

#### Park Hours of Operation

Daily: 6:00 AM - 10:00 PM

The Statue of Miss American Green Cross is a 10-foot-high bronze cast statue located in Brand Park, adjacent to the Brand Library & Art Center. The statue was created by sculptor Frederick Willard Potter and dedicated in 1928. Verlyn Sumner was the model for the work. The American Green Cross Society was formally created as a successor to the American Reforestation Association on December 3, 1926. The American Green Cross was an organization dedicated to preserving the country's forests, with headquarters based in Glendale.

The statue was originally displayed at the Glendale High School campus. It was moved in the 1930s and remained lost for two decades. In 1954, the statue was discovered in a remote canyon in Brand Park, though its large base was not present.

The statue was designated as one of the original Glendale city landmarks in 1977, by which time it had become damaged by vandals, its arms lost, and its cross and logs deteriorated. It was placed in storage at the Brand Park maintenance yard in the early 1980s. It was restored by the city at a cost of \$60,000-\$65,000 with the assistance of sculptor Ron Pekar. Its base and arms were recreated based on a historic photograph. The renovated statue was dedicated in September 1992 at its new location adjacent to the Brand Library.

The statue was added as one of the inaugural entries on the Glendale Register of Historic Resources (GRHR No. 12) in 1997.

### Adams Square Gas Station

#### Adams Square Mini Park

1020 E. Palmer Ave., Glendale, CA 91205

#### Park Hours of Operation

Daily: 7:00 AM – 10:00 PM

On December 8, 2015, the Glendale City Council approved official listing of the Adams Square Gas Station (originally the Richfield Oil Gas Station) on the Glendale Register of Historic Resources.

The 2015 landmark nomination, made by the City of Glendale's Historic Preservation Commission, was part of an initiative to facilitate formal designation of several significant City-owned properties. The Adams Square mini-park project was completed in 2007 by the City of Glendale in an effort to create a green space in the center of the local business district for the densely populated Adams Hill neighborhood, and to incorporate the historic 1936 Streamline Moderne Gas Station.

## Rockhaven Sanitarium

2713 Honolulu Avenue, Montrose, CA 91020  
(not open to the public)

Rockhaven is a rare surviving example of the sanitariums that once flourished in the Crescenta Valley. First opened in 1923 by Agnes Richard as a “home for the feeble-minded women,” and later known as the “Screen Actor’s Sanitarium,” Rockhaven housed several Hollywood celebrities, such as Billie Burke, Flo Zigfield, Clark Gable’s first wife, as well as Marilyn Monroe’s mother. Over time, Agnes Richards purchased several neighboring Craftsman - style houses, and in the late 1920s and 1930s built several Spanish Colonial Revival style buildings which were designed specifically for the purpose of medical care and patient accommodations, expanding the facility to an approximately 3.5 acre site.

The character of this property was as much defined by its landscape as it was by its buildings. The buildings were, and still are, connected by meandering landscaped pathways, intimate gardens, patios, courtyards and expansive perimeter gardens to create a home-like setting for the individual care of the patients. In 1966, Rockhaven was awarded for its landscaping by Los Angeles Beautiful, Incorporated.

The City purchased the property in 2008 from Ararat Home, who had purchased the property in 2001 to operate a convalescent facility. The facility remains closed to the public at this time due to safety concerns.

You can read more about the facility by visiting the City’s website, [GlendaleCA.gov](http://GlendaleCA.gov), and searching Rockhaven in the search bar.

The 1913, City-owned Wallace House at the northwest corner of South Cedar and East Harvard streets is a one-story Craftsman-style bungalow. The house was built in 1913; its architect and builder are unknown. The original owners were John and Martha Ellen Wallace, and after their deaths, their daughter Helen lived in the house until 1988.

Wallace House is an excellent vernacular example of the Craftsman style and one of the best and most intact examples in the Harvard neighborhood of South Glendale.

## Nibley Park

1103 E. Mountain St., Glendale, CA 91207

**Park Hours of Operation**  
Daily: 7:00 AM - 10:00 PM

Rossmoyne is one of Glendale’s most interesting historic neighborhoods, rich with some of our finest residential architecture. The historic district - Glendale’s largest - consists of 503 homes set along gently curving streets and features an outstanding variety of Period Revival homes, including excellent examples of the Spanish Colonial Revival, Tudor Revival, and French-inspired designs. The area was developed by the Haddock-Nibley Company beginning in 1923 and was largely built out by 1950.

Nibley Park, donated to the city by the developer, is included in the district. The Royal Boulevard Historic District includes a portion of the second phase of the Rossmoyne development.
