109 W WILSON AVENUE	We are relocating the Martial Arts History Museum to the city of Glendale. We have two openings; one on Wilson St and the other on Brand Blvd. The building already has signage for different stores. In order to fit ours, I am asking for a vertical sign. Description: About 13 feet high, 30 inches extended from the wall. Simple, block lettering would be used and lighted from within. There would be two signs. The design would be very similar to the current vertical sign used about 50 feet away at the 85 degree bakery so that we will be consistent wit the area. The colors would be black and burgundy, the colors of the museum which is also the same colors on the 85 degree bakery. There would be the necessary connections to the wall as used by the 85 degree bakery.	Variance	April 11, 2024	Alan Lamberg alamberg@glendaleca.gov
